Message from the Potentate:

As of 4:00 p.m. today – Wednesday, March 18, 2020 – the El Zagal Shrine Center and Arabian Room will be closed.

The Temple business office will remain staffed to receive phone calls. The building will be secured, and only essential access will be allowed.

All Temple unit/club meetings are to be suspended and events are to be postponed. If your unit/club needs to address any matters, please consider doing so via telephone or email.

The Divan is making this decision for the safety of our Nobility and employees and believes it to be the best course of action at this time.

We will continue to communicate with you in the coming weeks. In the meantime, we wish you to be safe and healthy.

Yours in Faith,

Mike Dow
