## POTENTATE'S MESSAGE

### *Family Fun & Fellowship*

#### *Greetings Nobles and Ladies,*

Where did the summer go? Tammy and I are ready to enjoy some fall weather and all the activities it brings this time of the year.

I was able to attend the Masonic Corn Feed at El Zagal on August 18th. Great food and it was fun to catch up with some fellow Nobles and Masons that I had not seen in quite some time.

The next week I played with some good friends and fellow Nobles in the S&L Pro Am. I proved I am only there for the fun as my golf game is still under par!

The following Friday was the Bob Lucy Fish Fry at the Jamestown Masonic Lodge. Tammy and I enjoyed all the fun and frivolity that always comes at this event. Rod Lux, Wade Spitzer and all their help provided us with an excellent meal. Floyd & Tammy Scouten again provided the corn and the flower centerpieces, that they always put together and give away to the Ladies, were beautiful.

I was unable to attend the Director Staff Hole in One contest but heard that it went well and hopefully it will happen again next year. The Provost Guard Bierstube was again held and I heard nothing but positive comments. The Director Staff had their fall ride on the Saturday, the 18th. All of the above are fun events that you all can enjoy, so please, make time in your plans next year.

The A-Maze-N Clown Pumpkin Patch has had 2 very successful weekends and continues until Sunday October 10th. You still have time to bring the kids, grandkids and yourselves to the A-Maze-N fun that the Clowns have created for kids of all ages to enjoy!

As I am writing this we are just 4 days away from the Celebrating Masonic Treasures and Traditions that the Fargo Masonic Family is putting on at the Masonic Lodge in Fargo. Then it's on to the Fall Ceremonial at Fair Hills Resort on Pelican

Lake in honor of Jerome & Denise Tappe. Our friends, the Detroit Lakes Color Guard have worked hard to make this a memorable event. There will be golf on Friday morning and a parade in Lake Park on Saturday.

Then it's off to Las Vegas for Pote Trip 2021! Hole 15 is waiting for those signed up to marshal at the Shriners Children's Open, October 4th thru the 10th. Looking forward to seeing friends we made in 2016 when PP Brad & Lady Barb had us volunteer and make new friends.

Gabbi Sturlaugson has been selected to be a standard bearer. We all know she is a Shrine Kid and the daughter of Imperial Sir Matt Sturlaugson and Lady Mandii. Its going to be legendary!

When we return, Tuesday October 12 is the Stated Meeting in Fargo and Appreciation night for those achieving milestones in their Shrine life. We will do the same in Bismarck on the 14th at Apple Creek Country Club. Invitations have been sent and I hope to see you there.

We are all members of the best philanthropy in the world. Participation is the key to its success, so join in the fun!

Yours in Faith,

## Director's Staff

*Great Days to  
Close Out Summer*

The days are getting shorter and temps a little cooler. After a busy summer for the Director's Staff we're ready for the fall.

We held our 1st Annual Hole in One Competition and wanted to thank the golfers that attended. Although there were no holes in one this year, we still had a great time and look forward to the next event. Noble Casey Schoer led a great team and put together another fun event for the Director's Staff.

A shout out to our sponsors again for the event: a special thanks to Nereson Chevrolet/Cadillac, Gateway Chevrolet/Cadillac, Stutsman Harley Davidson, RDO Moorhead, Park Rapids Ford, Camping World, and Casselton Lumber. Thanks again for helping us make this a fun event and look forward to working with you again.

Next up is our Fall Bike Run, "We Ride So Kids Can Walk Run," on September 18th. Noble Cal Braun and Lady Kris have been working hard to put this ride together and looking forward to getting on the bikes and another ride before the season ends.

Speaking of rides, a large group of our Nobles put on almost 3000 miles and 4 states in 10 days! Noble's Derryn Heley, Jon Juelich, Casey Schoer, Cal Braun, Ian Sommerville, Roger Ellsworth and their Ladies took to the road and had a great time! Glad you had a fun and safe ride.

Please watch the calendar for Director's Staff upcoming events. We do have a Pizza, Puzzles, and Beer in the works and hopefully get that on the schedule soon.

I hope everyone has a safe month and to see everyone soon.

Shaun Engelsrud

## Mobil Nobles

### *"The Gunslinger"*

When the Mobil Nobles decided to part ways with our Indy car go-carts to go to a bigger parade vehicle; our sprint cars, nearly all unit members were in agreement with making the upgrade.

One of the things that we wanted to do was to have three sprint cars painted with the unofficial Shrine colors, with one car painted red, one painted yellow and a third one painted green. When we were deciding on a design for the green car it was suggested we go with a Green Bay Packers theme of green and yellow.

One of our members (Lynn Monge – a diehard Packer fan) had been on the fence about going to the sprint cars but quickly agreed when we went with the design of the stripe on the Packers helmet for the car. We placed the #4 on the car which was Brett "Gunslinger" Favre's number. Favre had led the Packers to a Super Bowl title and was already a legend in Green Bay. He earned the title of "Gunslinger" for his willingness to throw bullet passes into double coverage.

Lynn Monge adopted this sprint car and any

driver had to swear allegiance to the Packers. There was a suggestion when Favre played for the Vikings for two years that we should paint the car purple; but Lynn quickly shot that idea down. Lynn passed away in 2016, so we are looking for a Noble that is a Green Bay Packer fan to adopt this car. This sprint car is guaranteed to win the best all-round parade vehicle at the 2022 MSA Summer Session in Green Bay, WI. So....we went an entire summer with no rain and the one day it finally rained it canceled our chance to get on the Buffalo River Speedway with our sprint cars. We were to help out the Director's Staff working with Speedway personnel in promoting the annual Corn Cob Nationals featuring Minn-Kota Lightning Sprints. Seeing our sprint cars racing around the track at 25-30 mph would have been worth the price of admission.

We look forward to being in the Lake Park Pumpkin Days parade on September 25 as part of the El Zagal Fall Ceremonial. This will probably be our last parade for the year as we winterize the cars for storage.

We need to acknowledge the personal work done by our Potentate Dennis "Fluff" Sand on some of our sprint cars getting them ready for this parade season after not being active last year due to Covid-19 restrictions. Thank you Illustrious Sir "Fluff".

## Escort Motor Patrol

### *Final Days of Fun This Fall Season*

Hello fellow Ladies and Nobles,

By now the leaves are turning and we have already enjoyed another wonderful Fall Ceremonial at beautiful Fair Hills Resort in honor of Lady Denise and Noble Jerome Tappe. These two have done so much for our organization. A well earned celebration!

We soon will be putting the cars to rest. We may have one more parade left downtown with a frosty windshield, rope lighting, the top down and a small Christmas tree on the back. Yes, we hope to have the cars lit up again for the Thanksgiving "Parade of lights" downtown Fargo/Moorhead, November 24th 2021.

This was always a fun one and a great way to represent our El Zagal Shrine. We just have to figure out how to get the darn packing tape off the cars before our next competition.

We will be sending out an invite to those who wish to participate in this fun event! Hopefully we find a warm garage to decorate the cars in.

In the meantime enjoy your family, friends and nobles through this beautiful month of October and Happy Halloween!

Kind regards,  
Pat Jones

### *Just Show Up*

Just showing up does make a difference and we can't lose sight of the mission.

When I first became a Shriner I admit that I was somewhat committed, but not really. Then, I remember hearing Illustrious Ringo say, "just get involved." So, after a trip to visit the Shriners Healthcare in Minneapolis and Tampa Bay my perspective started to change.

Meeting with Illustrious Mike Dow, becoming Membership Chairman, and getting involved with other events such as the ND Shrine Football game really helped the mission hit home.

I attended the banquet of the Shrine Bowl and got to listen to Gabbi Sturlaugson (Fargo) and Alexis Thompson (Bismarck) talk about their challenges, surgeries, and experiences with Shriners Childrens. They both were so very grateful for their opportunities and experiences with Shriners.

In July, I attended my class reunion in Libby Montana. One of my classmates, Shaune, was

a Shriners Child and opened up about the many surgeries she experienced. Through happenstance, I also learned one of my best friend's dad (Dr. Matthews) worked at the Spokane Shriner Hospital so many days each month.

The message I heard loud and clear from Shaune is that without Shriners Healthcare she isn't sure where she would be today. Without Dr Matthews and the Shriners many kids like Shaune may not be walking today. She clearly stated, "It really does make a difference when you (Shriners) show up".

The learning extracted from all the stories I have heard from my friends, Shriner families and most clearly from the kids in need is this: We need each of you to show up and get involved. Get involved so that we can continue to make a difference.

Don't lose sight of the real purpose of why we are here.

## Color Guard Croonings

Well we can see fall is just around the corner, but the nuts hanging around the Color Guard rooms! We have had a busy summer, and these "nuts" seem ready for the fall.

Yet another Color Guard has taken up residence in a southern state. We have learned that Sue Niesen couldn't take Greg's snoring, so she has found her own bedroom space in Texas! She said it was great, except that she made the mistake of buying some Bush Lite, and he followed the scent!

As of this writing, the Color Guard is getting ready to host the Fall Ceremonial for Illustrious Sir Dennis "Fluff" Sand and Lady Tammy, in honor of Noble Jerome Tappe and Lady Denise. It is hard to tell on Jerome, but Denise is really fired up! Word is that Jerome gave Denise a little extra in her allowance, so she could buy a new formal dress. Denise had this lovely little black cocktail dress picked out, but you know Jerome – he went for the gunny sack model – it was on sale. Poor Denise!

Also as of this writing the Color Guard have been practicing their polka music, getting ready for the upcoming Octoberfest, formally Septoberfest, which was held in honor of October, but actually held in September, due to blizzards and freezing temps of the last couple years! Unfortunately the El Zagal German Band had a prior commitment at Carnage Hall, so they are not able to attend. However, Lowell Thompson has been boning up on the old squeeze box, and plans to have the music fill the tent that evening! He calls his band "The Four Dots", cause after 3 drinks, he sees.....4 dots in front of him! Free beer and Little Lars (Paul Meszaros) in his German speedo behind the beer table. Should make for a great nite! German brats, potato salad and BEANS! Come one come all!

One of our little Color Guard tied the knot this past weekend. Scotty Berseth finally "put a ring on it" and married his Lady! I guess he figured 18 years of dating was enough! Congratulations kids! We will be watching for any announcements about the pitter patter of little feet down the halls!

All in all, it is a GREAT TIME to be a Shriner! As with most everything else in our worlds right now, Covid has affected membership and involvement. It is a perfect time to find someone to "replace" you! We cannot grow our fraternity without new membership, and that falls on us. Reach out to your buddies, and explain what a great time Shriners have.

Until next time, keep the hard work up!

Lars

## Jamestown Clowns

*Imagine Life in the Country, Green Acres "IS" the Place to Be*

WOW! it's October. Or almost. I must report about our Punkin Patch, as we affectionately call it. It has come to be a really wonderful cause to get more members out and about. The more we come together as a group to a common cause we will be stronger as Shriners.

Our Clowns are AMAZING, and we are the best unit in ELZAGAL!! We have a bond with our community, and they seem to have a bond with us! We are very fortunate, grateful, and thankful, however you want to think of it.

Steve L. has put his foot forward, and as I know it is a big foot! He has stepped up and is now in charge of a huge yearly undertaking. We tip our hats to you!!! We have a brobdingnagian group and that is what it takes.

For all of you other units, that are wondering, it takes a minimum of 33 clowns and ladies to work the event, 45 is the sweet spot. If you wonder how we can pull it off... well we have fun, and that is all. Jon, the pumpkin man, and Larry, the land lord, (I can't seem to think of a smart name), but you guys are one big reason it all works. THANK YOU. Also, Aaron, has some huge contacts, to make it all very cool, Thank You too. We have an amazing new bunch of Clowns. Again, WOW!!! It takes all of us, the girls, the clowns, the neighbors, everyone. That makes it a success, before our first customer ever drives in. Of course the Trebuchet can't hurt.

Now, we are challenging the Divan to come and partake. You will see how our community supports us. WE ARE AMAZING!!!

Enough bragging. Shrine Club was Wednesday, September 22. It was a fantastic event for our Ladies; we can only try to show our appreciation for them. They are a big part of our success. Thank You!! And what a fantastic meal and entertainment, people will be talking about that night for years to come. Wow! enough said!

Clown for a Night is December 4th. First Saturday in December as always. What a Great Event that will be. 1000's of people, all enjoying a special night in Jamestown, with the Clowns.

The Fall Ceremonial is at Fair Hills Resort, September 24th and 25th. Great event! Be there.

AND remember to get some dirt on our Illustrious Sir Dennis, for the Roast the Pote. OK, I'm kidding, we always have had dirt on him, but more is better. HA HA HA. Sorry Fluff. It's not about you, as much as it is the tradition. Now that must be a relief.

Thanks for

## Jamestown Mystics

### *Beautiful Day in Medina*

Hello everyone in El Zagal, the Mystics have been busy like always. We had a "Trip on a Tankful" to The Red Hawks game on August 22nd. We had about 18 that took in the game. A big thanks to Scrappy (Jeff Oster) and McNeilus for the use of their suite and the food that was provided.

Friday, August 20th was The Bob Lucy Fish Fry, thanks Mystics brothers for your famous Brandy Alexanders. Scrappy, Duane D, Paul W did another great job.

Next, on September 11th was the Medina Fall Festival. We had 4 Nobles that attended and participated in the parade. Thanks Duane D, Colin W, Paul W and Beer Man for bringing home another 1st Place Trophy (Best Shrine Unit there). It was another full house, streets were full, and the kids were happy to receive candy from us Shriners.

A gentleman stopped me in my tracks and thanked us Shriners for what we do. He told me that he took his daughter to the Shrine hospital in Minneapolis about 10 years ago and what a great place and great things they do. It's always good to hear those stories.

After the parade we were invited to the town hall for lunch. What an amazing meal put on by the local Lion's club of Medina. Another man approached me in the serving line and thanked us Shriners for coming to the parade. The kids love seeing the little cars.

## Mandan Indians

Well, we are on the move in our buckskins. The first place will be to Washburn, ND for the Moon Lodge where we will put on the EA degree.

Next, we will put on the EA degree at the Indian Mounds, south of Mandan. After that we will be at the Bismarck airport for the Fly-In Breakfast.

Then we had our Indian meeting on September 20. So September was a busy month for our unit.

I guess now that all we have to worry about is the coming winter. We need snow, but not too much. We don't need bad weather like the summer we just had. Our cows need hay and our stock dams need water in them.

You will hear more from me next month. It is time to strike the teepee.
