STATED MEETING NIGHTS

I know we are all wishing winter was over, but look! We are already half way through February and looking March right in the eyes!

Meanwhile, El Zagal has been busy with events left and right, and lots of fun has been had!

As of this writing, the Wild Game Feed is coming up, and the crew have been working hard keeping ticket sales moving along and preparing all those "secret recipes" that we all enjoy! This event always brings so much fun, and is very important to the temple. I hope you take part in the fun!

El Zagal's cash calendar is moving along as well. Our first drawing for January and February will be on March 1st at the Temple at 7 p.m. for those who want to participate. Andrea and Mike have been indispensable in the record keeping for this, and we owe them a huge thank you!

Lady Bonnie and I will be in Bismarck to take part in the 1st Annual Duster Car Show on March 4, 5 & 6. There is so much excitement around this 1st time event, so I hope you can come enjoy the cars and have some fun in Bismarck.

The Divan and a couple others recently traveled to Green Bay, Wisconsin for the winter session of MSA. It was great to see so many travel great distances to take part in the business meetings. Our Canadian friends had a long way to travel – basically two days, but this dedicated group made the trip!

It was a great experience. We had the opportunity to listen to a Shrine patient, who was born with a club foot and spinabifida. He and his family shared an amazing story of their journey through the Shrine Hospitals. His regular doctor had shared that he would likely be in a wheel chair for his lifetime, but with Shriners, he stood tall and shared his story. A pleasant young man with a bright future and a smile on his face.

It reminded me of what we are here for. It is not about 1 person, or even a small group inside our Temple, but the kids and families we help.

It is easy to get caught up in how much work we do, or feel like we are the only ones doing something, but actually, it is all about the kids. We all need to remember this, and why we became Shriners in the first place.

We are gearing up for circuses all across El Zagal, and it is a welcome activity for all. We know it is a lot of work, but to watch the kids enjoying the shows makes it all worthwhile. Please help out where you can, from Detroit Lakes to Dickinson, there will always be room to pitch in.

El Zagal is currently looking for a person to act as a public relations and marketing person. The goal is to make sure that any and all events get proper advertisement across all social media platforms, and print or other media as needed. This is a volunteer position, but is of great importance. If you or a family member has tech experience and would like to give this a shot, please reach out to me at slarson@arvig.net or call me at 218-841-8533. My hope is that we can build this into something permanent to help us all with our different fundraisers and events.

Look for details in next month's Camel Tales about the Potentates Ball coming up in May.

I have enjoyed the first month of serving as Potentate, and again I thank you for the opportunity. I can – from the heart say – I AM SOLD ON THE SHRINE!

Be well and stay healthy. God Bless

Shriners Children's™

This is the year that we celebrate the 100th anniversary of our commitment to helping kids. My father was one of them, just one of the reasons I became a Shriner.

There are many changes ahead for Shriners Children's just as there has been over the past century, but our focus is still the same. We all have a part to play in our fraternity and in our philanthropy. We need to share what we do and how we have fun doing it.

I urge everyone to follow Shriners Children's and Shriners Children's Twin Cities on Facebook and LinkedIn, You Tube etc. Share what we do. We will be helping more kids and growing the nobility.

I am excited to let you know that there will be a big push via social media this spring in the western part of El Zagal land. Now I know most of us Nobles will not see it; the target is 25-40 year old females. That does not mean that we don't want others to hear of our mission and that is where we come in.

In other big news, our clinic medical staff in Woodbury is growing. We have just added Dr. Waleed Gibreal to the Shriners family. Dr. Gibreal is a Plastic Surgeon and we will be adding cleft palate and cranial cap care. Also, just this week we welcome Dr Matthew Basiage, Pediatric Rheumatologist.

If you know of a child that we may be able to help please contact Shriners Children's Twin Cities 612-596-6100. www.shrinerschildrens.org/locations/twin-cities.

Our Fargo office staff, or myself, can't handle medical questions. Also, please remember that we can only assist in transportation for Shriner patients. Which reminds me, a big thank you to Andrea & Cal Braun.

Finally please remember, we do not provide "free care". We offer "the best care anywhere!!!"

*Invite People In, Sit Down
With Them and Share the
Shrine Philanthropy*

With our very first Business and Beers, we generated an opportunity to talk Shrine. From this, several of the people who attended stayed for burgers, and we were able to explain more about what "Shriners do".

Last week I met with two different Fraternities, SAEs and ATO, from NDSU. I asked, "What would it take for you guys to become Shriners?"

Their response, "we are looking for fraternities after college, but we just don't know what Shriners do" opened the opportunity to invite every fraternity in and let them know.

I noticed some first timers to the Arabian Room to watch the Super Bowl. I engaged them by asking "first time here?" and was not surprised to hear the response, "Yes, we didn't know this was open to the public, but we heard it was tonight". --- This one I hear way too often.

They also mentioned they were looking for a place that wasn't going to be so loud. It opened the opportunity to invite them back for burgers, and generates another opportunity to explain more about what we do.

What opportunities do you have coming up to share what we do, and why YOU became a Shriner?

MESSAGE FROM CAL BRAUN FARGO HOSPITAL REP

As we move along in regular and shrine life, it is easy for feelings to fade over time. In some cases that can be good and in others it can be bad. A reminder is necessary from time to time to bring those positive feelings back to life.

We move along in our units and clubs and get caught up in the deadline or workload of the next event or get caught up in the turmoil within our unit, club or Shrinedom in general. On the opposite side of the spectrum maybe some of us might be struggling with reengaging in our unit or club after the last two years of the pandemic.

Regardless of where you are at, please take a moment to read the letter below and focus on the fact that what we do matters. The reminder today is that what we do is life changing to our patient families. It is the difference between a parent having to watch their child live with a condition and empowering them to do something about it.

As you read this letter, I ask that you focus on our mission first. If we haven't seen you for a while, please understand that we would love to. It takes all of us to change lives. See you at the next event!

Regards,
Cal Braun, Twin Cities Transportation Rep

Good Afternoon,

Here are all the original receipts for our latest trip to shiners/pops visit. We will have one more visit in a month in a half to two months in doing the last adjustments along with picking up the new device. This latest ~~appointment~~ ^{appointment} was casting and sizing only. I will call the moment Rebecca calls me with the dates. We did check out early and did not need the second room night but instead stopped mid-way in Fargo like last visit. The front desk was notified but still want to make sure you all knew. I also provide pictures of the boys and would like to plan a visit for pictures after Tyson gets his new leg.

If there is time over the summer, we haven't seen you all in a long time and very appreciative of all your help. We would be able to do this without you guys. Being a widow of two boys is hard but being a widow to two boys with ADHD and one with a prothesis is even harder. SO THANK YOU FOR this blessing over the years. ♡

Mobil Nobles Expressing the Soul of North Dakota

When painting our sprint cars, we wanted each of the eight cars to have their own identity by being a different color. The color blue was chosen for one of the cars. There are dozens of shades of blue and we wanted something that would stand out.

For those of us that grew up on the Dakota prairie and watched an approaching evening thunderstorm, we remember the dark blue color of the sky with the flashes of lighting followed by rolling thunder. Our #7 sprint car embodies the spirit of those thunderstorms with its dark blue color with lighting strikes going across the body of the car.

The snow is slowly starting to melt, so it will not be much longer until we fire up the sprint cars with those powerful 6hp Honda engines. We are looking forward to parading at our two upcoming 2022 ceremonials in Detroit Lakes and Bismarck. The Shriners in both of these cities are excellent hosts, so it will be a fun time for all.

This month's racing tip - when on the race track always turn to the left.

Jamestown Clowns On Another Journey of Splendid Fun

Hello to all Nobles and Ladies,

Is it March already? Wow, is it just me, or was that a short winter...

Our new President-Justin, has proven he can control a meeting. We always try to establish that right from the start. He demonstrated that he can show his facetious side. Well done!

March will be a grand month. Us Clowns will once again begin our splendid journey to a fun filled summer season. Let's make it a season of historic fundraising. Anyone reading this knows what we can do, so let's get on with it.

I wasn't able to attend the February meeting, but heard several great stories. They were a little hard to believe, but then I heard them from a Clown,

and us Clowns are known for great stories. I guess it goes along with great deeds.

I don't have much, to talk about, I hope people are signing up to cook, after all, if I did, anybody can. I will say I had expert help and that is key. Who doesn't admit, it was an OK meal. All any of us want is a not terrible meal, so get cooking!!

By the time you are reading this, the snow COULD be getting less, so be happy. Unless you like moving the snow around, time and time again. I'm getting to be a snow hater. But not a fun hater!!! Let's start getting our fun on, and have another glorious year.

WE ARE THE BEST UNIT IN El Zagal!

Thanks for
Reading This...

Wild Game Feed 2022

What a whirlwind of emotions with this event. In 2 weeks, we go from nearly canceling the event to arguably the best Game Feed in its 25 year history. When the projections were down and the decision to move forward was made, we all made it our goal to make it happen and do it the best we could.

There are so many people to thank in this process, our apologies if you are missed, your contribution is appreciated. Brother Cal Braun, target marketed the people that attended in 2020, Illustrious Sir Mike Dow PP, stepped into the kitchen with some creative minds and pulled off some awesome vittles. The Misfits smoked hog, looked great and at the end of the night, was just a bone carcass. Winner of the "People's Choice for 2022" was Jack Lingle with his Pheasant Pizza.

We tip our Fez to our many ladies that sacrificed many hours to this, at times they outnumbered nobility. THANK YOU LADIES for all you did, you're the best. Noble Joel Swanson kept the crowd engaged in the events, Brother Shane Heiberg kept them informed on the big screen. Nobles Jerry Schatzke and Cal Braun ran the head table like pros; they kept the raffles flowing out and the money coming in.

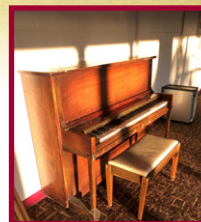

We would be negligent to ignore our GREAT banquet staff. Patricia, Chris, Shanna, Casey served up the beverages for our attendees. I hear it may be one of the top grossing nights in the Arabian Room ever.

To the many Nobles and ladies that were there helping to make this happen, THANK YOU!

Now for some numbers: 417 presold tickets, 41 bought at the door, 376 came into the Temple to help us celebrate. We are still compiling the numbers as of this writing, but projections are for a GROSS number of \$35,000. Come to the next stated meeting for full details.

Until the next time, the committee thanks everyone involved for doing their best.

Noble Cal Braun, Noble Jerry Schatzke, Illustrious Sir Mike Dow PP, Noble Mike Rieckman

Color Guard Croonings

Since the last article, we sadly report the passing of our Brother Noble Gary Ware. The family requested that the Detroit Lakes Color Guard present and post the colors at the start of the funeral. We did -- and also formed an Honor Guard for the casket and family leaving the funeral.

In addition, the family requested a Masonic Funeral to be held at the conclusion of the regular funeral. Many persons at the close of the services complemented on the Masonic Funeral and what they learned. Presiding at the Masonic Funeral was "Always Working" Jerome Tappe with assistance by Illustrious Sir Steve Larson and Past Potentate Brad Richards. The three sat next to the minister up front during the funeral and then did the Masonic Funeral. It should be noted the three were all dressed in their finest black tuxedos but in some respects, they looked like 3 Godfathers from competing Mafia families. Just saying.

Circus meetings are proceeding with many details going well because of years of experience. One of our newest members asked where are the notes and lists of things to get and get done by when. He was informed that many of us have been doing this for 17 years and it's beginning to come naturally for us. We do have too many lists and checklists.

One big problem is bike supply and we are doing some innovative workarounds to procure the needed number. Nothing illegal but we are trying to stretch limits. Leave it to our Color Guard member's devious minds to figure something out. Some of our snowbirds did help get things going with the first circus meetings but have now disappeared. However, "Always Working" Jerome Tappe called, during one of the last circus meetings, to see how we are doing with the Coloring Posters to the area schools as he is chairing that section. We are all doing the work here with his advice from afar. The next meeting both Jerome and PP Brad Richards appeared to help.

PP Brad Richards said he came back to the northland not for the circus meeting but to go

to the upcoming MSA meeting then back down south. Go figure.

Father Jerry Anderson was here at the start of the circus meetings and then headed south. We have not heard from him and think he must be "ministering" to the folks in the south.

At this writing in mid-February there is good news, so far, from Illustrious Sir's Lady Bonnie. She has not requested any help from the Color Guard in keeping "Lars" on track. We think it is only a matter of time that her energy level will fall low enough to request assistance, particularly with Polar Fest and its Ice Castle celebrating 150 years of Detroit Lakes. Some persons "in the know" think that Illustrious Sir Steve will be trying to sit on the Ice Throne of King Isbit during the celebration. That can be a cold sit on the Ice Throne with the celebration lasting February 11 - 27. We will have to keep him corralled somehow so he doesn't freeze to death and leave El Zagal adrift.

Did you know that the Detroit Lakes Shrine Color Guard began in 1957? That's 65 years and reason enough to celebrate and we plan to do so. Some are starting to think of the Spring Ceremonial to be held here in Detroit Lakes. Things are shaping up for some "historical" times with events scheduled at the Detroit Lakes Historic Pavilion by the lake. Mark your calendars to be sure you can help make it to a "historical or hysterical" great time here.

If you are in the neighborhood or not, remember that the Color Guard monthly meetings are the third Monday of each month beginning at 5:30 PM with social time, dinner around 6:00 to 6:30 PM depending on the cooks and meeting at 7 PM. Food is good, socializing is great and the meetings are informative, fun and just plain necessary.

Signing off, and hoping this is not one of those positions where it is necessary to die to be relieved of duty, is **Dan Holm, the interim "Lars" not a "Lars want to be"**.

Remember there is nothing finer than to be a Color Guard Shriner.
