Volunteers Needed

Shriners Children's Open Golf
Tournament October 5-9
in Las Vegas.

We will be sponsoring Hole 15
in 2022. If you volunteered last year
and would like to go again,
registration opens April 1st.

New Volunteers will be able to
register later in the month.

Brad and Barb Richards will be
the contacts for El Zagal.

More information will be coming
but if you have questions, let us know.

As of this writing, we are running to the finish line on circus preparation across El Zagal. We are excited to get back to the fun fraternal parts of our Shrine lives, and it is very welcome!

There are so many chances to take part in fun activities across our area. Lady Bonnie and I attended the first ever Dusters Car Show in Bismarck on the 5th and 6th of March. I was so very impressed with the hard work the Bismarck units did to sponsor this event. There were many great cars and trucks to see, and the attendance was awesome. My Fez is off to you all for your efforts to support the mission of the Shrine!

Our first Cash Calendar drawing was held at the Temple on March 1st, and all went very smooth. Winners are published on our web site at www.elzagal.org and of course checks were mailed to the winners. There are still many chances to win on the calendar, so keep selling. As of this writing, we have sold 2/3rds of our inventory, so we still have time to grow our sales and chances to win. Thanks to all who have participated in the effort.

One of the most important things we need to concentrate on as we get back from the world of covid is membership. Our Temple numbers have fallen dramatically. Of course we cannot control the Black Camel, but we CAN do something about gaining new members and keeping the old ones. Think back to when you became a Shriner. The fire that was in you as you realized you can make a difference in a child's life. We need reminders of that, and share that "fire" with others. It is easy to sit back and think that membership is someone else's job, but in reality, it is ALL of

our jobs. We need to reach out to new people and share the fun that we all enjoy. There are even possibilities of new clubs or units in new towns that we have not even worked on yet. Our challenge in 2022 must be to add membership to our Temple, if nothing else, for the survival of our fraternity. Share the fun with a friend and ask them to join us! I think every

unit and club is looking for members, and we can always start a new club too.

Last month I addressed supporting each other in activities. To build on that, I have shared a message in this month's Camel Tales regarding a "Magic Bank Account". Please review that. Think about applying that to your own lives, in how you treat others and yourself. It is a profound statement about life that was shared with me by Illustrious Sir Brad Richards and Lady Barb. The author is unknown, but it does talk about enjoying your "bank account". Applying Masonic thinking, it does show us that we need to treat everyone "on the level" and enjoy our "bank account".

Look for details in the Camel Tales for the upcoming Easter Egg Party for the kids. A reminder that this is not just for our members, but for all kids in our area. Invite a family to join in the fun! I was informed that the Easter Bunny was planning a visit to El Zagal, and you don't want to miss out on that!

I would also encourage you to make plans to attend our Potentates Ball on May 7th. Patricia has some great plans set up for us, and the theme is Country Formal. Break out your hats and sport coats and join us! The dinner she has planned is over the top, and we will have great music to enjoy as well! The hope is to make this event a standard event as in years past. Watch for details!

A reminder to all who follow social media to share events as they come up on your news feeds. This will help ensure we let the public know that we are a fun bunch, and hopefully encourage them to join in the fun! You will find information on the different places to find El Zagal on social media in the Camel Tales. Join us there and share the fun! In closing, I hope to see many of you as Lady Bonnie and I travel the circus routes. Remember, there is NOTHING FINER THAN AN EL ZAGAL SHRINER! It is the reason I am SOLD ON THE SHRINE!

A Little Chatter About Things That Matter

We have no idea where Jay Haut is... in Florida ??? However he did call during our meeting, don't know why. He hung up.

Welcome home Charlie and Jan. Did you notice it's not that warm here?

Can we all agree spring is about over and summer is just around the corner. As Judge Larry would say, our Docket is filling up. We are expecting to have a banner year, as always, because we Clowns work as one, and get things done.

March 19th we are hosting a Prom Dinner for the Prom kids.

Circus starts us off. April 5th. Be there by 3pm or before!!

Parades have not been scheduled YET!!!

June 17th there is a parade in Perham MN that Tory Anderson is the Cheer, as Mark K. would say.

June 18th, Bike run and only a bike run and supper is the event this year. An off year from Bike give away. No band.

July 22 is Justin Fuchs, our president's birthday -- 40, WOW -- that seems old Justin, not to mention my birthday is that day too. I used to be 40. 23 yrs ago.

Nick Hardy is doing the baseball/softball this year. Lets give a gracious thank you to Nick. The Date will be firmed up later. Also, the adversary (opponent) will be named when the date is picked.

James River Senior Center Saturday, August 27th--noon til 3. Klaus Park. Be there.

Seeds have been ordered and 88% delivered for the pumpkin patch.

Clown for a Night is on. I want to say THIS CLOWN IS NO LONGER AVAILABLE FOR DECORATING! So someone step up.

Lastly, someone mentioned people may be getting tired of me saying we are the best unit in El Zagal. My opinion is, then another unit should step up. I did hear thru the grape vine that people in high places say the clowns are the shining star of El Zagal. Okay, if that is a better description so be it, I can live with that. It's tough to think of us any other way, I am a proud El Zagal Clown!

SO, lets getter done, have some fun, work as one.

Thanks for Reading This,
Weezer

Director's Staff Craftsmanship & Culinary Competition Kick Start the Spring Season

The snow is melting, spring is in the air, and the Director's Staff is getting ready for another busy summer.

First on our agenda is our 11th Annual Suds N Spuds, on April 16th. We are planning on the same tasty local craft beers, great potato dishes, local celebrity judges, games, and Silent Auction. There will be a black box competition again similar to the TV show Chopped on food network.

Reach out for tickets to the Director's Staff 11th Annual Suds-N-Spuds! They can be purchased by scanning the QR code on the poster or talk to your favorite Director's Staff member.

We are looking forward to seeing everyone there. And we are looking for and accepting silent auction donations. Please contact Noble Casey Schoer if you have any donations or questions.

After Suds N Spuds, we are looking to get back on the bikes and start practicing for competition and parades. We have our ride team set! Noble Bruce Ridgway has stepped up as Ride Captain, with the following riders, Noble's Roger Ellsworth, Casey Schoer, Cal Braun, Shaun Engelsrud, Ian Sommerville, Hunter Martineau, and Bobby Anderson. We look forward to getting back in the community and making El Zagal proud.

Be on the lookout for another Pizza, Puzzles, & Beer before summer too!

As the area starts to thaw out and the calendars start filling up again, I hope to see everyone out at the El Zagal events and support all the hard work and effort that goes into making each one a success.

Stay Hydrated,
Shaun Engelsrud

Escort Motor Patrol "Where's the Beef" is the \$10 Question

We are looking forward to helping out with the Detroit Lakes Circus as well as the Fargo Circus this year. We will have a Miata at the Fargodome during the circus this year.

We have a raffle with Two Quarter Cows and Freezers to put them in, as well as Cash Prizes. The drawing is June 28th, 2022. Please be sure to get a ticket from one of the EMP's for only \$10.00.

We have a few other exciting fundraisers in the works. More info to follow.

May your top be down and your hair blowing in the wind!

Color Guard Croonings

Well February sure closed out with a bang here in Color Guard land. The crew has been very busy with selling circus ads; placing, receiving and judging coloring contest posters from area schools; putting bikes together; and getting all plans in place to be ready to roll before, during and after our circus.

Our devious, no ingenious Color Guard members were successful in solving the bike ordering shortage situation. We now have enough bikes and boy it really shows as we can hardly move around our clubroom.

Thanks to Paul "Little Lars" Meszaros who is very busy keeping the books on the circus such as ad money coming in, payments for "stuff" going out and keeping everyone focused along with Scotty Berseht and Gary Grindal the Circus Co-Chairs. Some of us members don't do a good job on details, but "Little Lars" does.

Another success was that we did not have to rescue Illustrious Sir Steve from being frozen on King Isbet's Throne at the Ice Palace during the Polar Fest Celebration here in Detroit Lakes. Mainly because he was so busy travelling about El Zagal Land and to Wisconsin for the MSA. In fact, he was hardly seen in the area. When he finally settled down to do serious work, he came through the back door of his office and his staff thought he was an intruder. But Guess What! He and Lady Bonnie are going into hiding for a week in Mexico according to a major slip by Illustrious Sir at a recent Circus meeting. He tells us that he needs to rest and recharge after looking handsome and shaking hands for the past month. Also, he needs to buildup strength for the upcoming Circus Marathon he will be doing starting in Detroit Lakes and ending in Dickinson. Well, it looks like we will be leaderless for a week. Everyone, take notice and govern yourselves accordingly.

March and beyond is going to be busy for the Color Guard and other units. Just note. On March 1st the local TV meteorologists John Wheeler and Hutch Johnson started talking about the spring flooding in the Red River

Valley. Lent started on March 2. On March 16th us Finnish folk celebrate St. Urho's Day by wearing purple and green and eating Mojakka*. Then on March 17th the Irish and Irish wan-ta-bees drink green beer, with some going to excess, and eating Corned Beef and Cabbage. Sign in Detroit Lakes – "We all can't be Irish someone has to drive." Then we Shriners take over with the Shrine Circuses beginning here in Detroit Lakes on March 31st, traveling west and ending in Dickinson on April 11th.

Throughout the whole month, Circus preparations here involve some changes and a new learning curve in some areas such as switching to Freeze Pops from Snow Cones. The last circus we did make Cotton Candy the day and evening before the show placing it in plastic bags with having only one Cotton Candy machine running during the show. That seemed to work well and we will do it again this year. Concessions and other areas will have modifications as well. All this follows the old adage "The only thing constant is change".

Don't forget the Color Guard is hosting the Spring Ceremonial May 13 – 14 here in Detroit Lakes. Because of this, we have members actively working on securing the proper permits from the city for use of the Historic Detroit Lakes Pavilion and all the other events planned for the ceremonial. Mark your calendars as this will be a "historic" time for El Zagal. All of you can help by recruiting new members and showing up for a great time "at the Lakes". We know this is a dangerous invitation because who knows what Havok those clowns will do here in Color Guard Land. Oh Well, come one, come all and lets have fun.

*Mojakka – Finnish stew or thick soup made with fish, potatoes, onions, cream, milk and spices.

Signing off is Dan Holm, the interim "Lars" not a "Lars want to be".

Jamestown Mystics Spring Brings Raffle Frenzy

Hello everyone in El Zagal, hope everyone is well. Spring has sprung. 31 degrees out, water is running, motorcycles are cruising around, and El Zagal Mystics are busy getting the bus and trailer out of the snow banks. Brock and the boys are busy. They have parade units on jack stands, changing oil, and putting a new coat of paint on to cover up mishaps from last season.

Gun raffle chairman says ticket sales are going good. We are working on another sell out, so if you want a \$100 ticket on a chance to win a great gun or some cash get hold of a Mystic brother soon, before they are all sold out.

Fishing for a Cause raffle tickets are ready for sell. For just \$20 it gets you a chance to win a 4X4 or a Harley Davidson electric bike and much more.

Come One, Come All, everyone welcome!! The El Zagal Shrine circus is back at the Jamestown Civic center on April 5th. We hope to see you all there.

That's all for now.

Mobil Nobles Get a Little Nasty on the Streets

When you see an orange car on the road, you know it is a big V-8 muscle type car not to be messed with. In our quest to do all of our sprint cars in a different color, we had to have one sprint car that would look "nasty" in orange. So, if you have a cool looking orange car, you need something on the car to make it stand out from the others. We went with the silver and black flames on it to give it the "nasty" look it deserves. As a disclaimer, we couldn't fit a big Hemi V-8 in the engine compartment, so we settled for the Honda 6hp OVH-1 instead.

It has been a long, cold and quiet winter for the Mobil Nobles, so we are looking forward to the spring season where we can get the sprint cars back on the streets. We are always looking for drivers to assist us in getting all 8 of our sprint cars into parades. If interested, contact any Mobil Noble and we'll get you rolling down the parade route.

Monte - Pote 89

This month's racing tip - When changing sprint car tires, always remember: little tires in front, big tires in back.

El Zagal Duster Car Show a Huge Success

The inaugural El Zagal Duster Car Show went off without a hitch. My hat is off to the dedicated committee that worked overtime to make this event happen. There were 64 of the best vehicles in the upper Midwest on display.

Our thanks go out to our sponsors: Puklich Chevrolet, Your West Dakota Chevy Dealers, BTP Performance, Memory Lane Restoration, Penny's Muffler, Bravera Bank, the BIS/MAN Convention and Visitors bureau and Renae Haug State Farm Insurance Agency.

We entertained over 3500 people over the 2-day period. Our thanks go out to the many volunteers who showed up to make the event welcoming and run smoothly. Our thanks go out to Illustrious Sir Steve Larson and the Divan for their presence and support.

Mark your calendars for 2023, March 4 & 5 for the next installment. Go to www.elzagaldusters.com to see a picture gallery of the event.

THE MAGIC BANK ACCOUNT

THE AUTHOR IS NOT KNOWN. THIS WAS FOUND IN THE BILLFOLD OF COACH PAUL BEAR BRYANT, ALABAMA, AFTER HE DIED IN 1982.

Imagine that you had won the following *PRIZE* in a contest:

Each morning your bank would deposit \$86,400 Into your private account for your use.

However, this prize has Rules:

1. Everything that you didn't spend during each day would be taken away from you.
2. You may not simply transfer money into some other account.
3. You may only spend it.
4. Each morning upon awakening, the bank opens your account with another \$86,400 for that Day.
5. The bank can end the game without warning; at any time, it can say, Game Over!"
6. It can close the account, and you will not receive a new one

What would you personally Do?

You would buy anything and everything you wanted right? Not only for yourself, but for all the people you love and care for. Even for people you don't know because you couldn't possibly spend it all on yourself, right? You would try to spend every penny, and use it all, because you knew it would be replenished in the morning, right?

ACTUALLY, this GAME is REAL. Shocked? YES!

Each of us is already a winner of this *PRIZE*. We just can't seem to see it.

The PRIZE is *TIME*

1. Each morning we awaken to Receive 86,400 seconds, it's the gift of Life.
2. And when we go to sleep at Night, any remaining time is Not credited to us.
3. What we haven't used up that Day is forever lost.
4. Yesterday is forever Gone.
5. Each morning the account is Refilled, but the bank can dissolve your account at any time WITHOUT WARNING.

SO, what will YOU do with your 86,400 seconds?

Those seconds are worth so much More than the same amount in dollars. Think about it and remember to "enjoy" every second of your life, because time races by so much quicker than you think.

So take care of yourself, be Happy, love deeply and enjoy life! Here's wishing you a wonderful and beautiful day. Start spending....
