POTENTATE'S MESSAGE

Spring is finally upon us, and it is great to be back enjoying some "normal" activities again. I am so proud of all of El Zagal Nobles and Ladys for the hard work you provided over circus time. Everyone came together to make all the circus events a success! It was great to see everyone smiling and back doing things they enjoy! I do believe the public was ready for our return, as was evidence in the attendance in all of the circuses we attended. Lady Bonnie and I thank ALL of you for what you did for El Zagal and your communities!

his lovely Lady Jolene. They have supported the Mason and Shrine life for many years with pride, and it is an honor to bring attention to their efforts. We look forward to hosting you all in Detroit Lakes the 13th and 14th of May. Look for details in this Camel Tales addition.

One main comment I heard throughout last month as we traveled around El Zagal was, "I am getting too old for this." I contend that age is simply a number, but the real "fix" to this issue is to bring new members into our family. There is no other way to ensure our success but to enlist new friends to help us in our cause.

The Imperial Officers are working hard to provide tools to be used in recruitment of new Nobles. Check them out, and put some of these ideas to work. In all of our events, there is room to invite a friend to "check us out." Think about this for one minute – if every Noble brought one new prospect to an event a year, and was able to spark interest in joining us, how easy would the work and fun be? All of a sudden, it might not be up to the "old guys" to do the work.

Burger night on Tuesdays has continued to be a great time. They are open to the public. It is a great opportunity to stop by for a visit, have a burger and beverage of your choice and visit with your neighbors and friends. If you are in the Fargo Moorhead area on a Tuesday, stop by and give it a try!

Watch for details on the Here Comes Summer Party. This is always a fun time for the kids, so be sure to mention it to family, neighbors and friends. There is speculation that a certain Past Potentate from Jamestown has offered to sit in the Dunk Tank this year. Speculation is growing that this Past Potentate has been full of "Fluff" in the past, but this remains to be seen. Let's see what happens!

I hope this finds you well and ready for spring and summer activities. Lady Bonnie and I look forward to visiting with you all in the next few months.

Remember, it is a great time to be a Shriner, but there is NOTHING finer than an El Zagal Shriner!

Suds and Spuds was another great success! Standing shoulder to shoulder, there was not a frown in the house at the Temple on April 16th. What a great time! Fabulous job by all involved! The chefs did a great job preparing potato dishes – hopefully we have a few more chefs in training out there next year. And of course the beer...yeah, it was great too!

Next up will be the Ladies Luncheon, Kentucky Derby party and of course the Potentates Ball. I look forward to seeing many of you at these events. The Pote's Ball is an old tradition that is fun to try and bring back. Patricia is working hard, as usual, to make the event a success, and you know she will simply knock it out of the park!

Spring Ceremonial will be held in Detroit Lakes this year. A bit earlier than usual, as we needed to miss the tourist season beginning at the end of May. This ceremonial is held in honor of a great friend, Mason and Noble, Jerry Anderson and

*Just Wanting
To Be Part of Us*

Thanks, Cal Braun for letting me use your line. Due to the past 2 years of circumstances, we've gone to 897 El Zagal Shriner Nobles and anything under 1000 members we are no longer considered "Gold Status", but...

The past 4 months things are changing. The more we bring events back the more people are wanting to be part of the Shrine. At the past Suds n Spuds, we had 3 people ask about the Shrine and just want to be part of what we do.

We have 5 new potential members that went online and signed up because they went to the Circus. They just want to be part of what we do.

I'm sure you are starting to see the trend. There are a lot of people out there that just want to be part of what we do.

During the Circus I was asked by a Noble, "is there a membership group that people could join"? My response "there sure is and you are already part of the that group".

After the Spring Ceremonial we should be about 55-60 members away from getting back to the Gold Status, but that is in control of us. Keep inviting potential members in and telling them your story and they'll just want to be part of us and what we do.

Regards,
Membership Chairman
Russell Schell

El Zagal Shrine Hospital Auxiliary

*Place Your Bets on
Childrens Healthcare*

Our meeting April 9th was small with only 7 members attending!

We had a discussion regarding what we might do for a fundraiser besides the style show. We are to think about this and hopefully come up with some new ideas at our next meeting in September!

We do have a meeting in May which will also be the Ladies Luncheon! ALL Ladies are welcome to attend!! You do not have to be a member of the Auxiliary to attend the luncheon! So come, and wear a fun hat as this is also Kentucky Derby Day and see who can win a prize!!

We have a mailing ready for the "Bakeless Bake Sale". This is so each of us can make a donation to the Auxiliary which then will go directly to the Shriner Childrens Hospital - Twin Cities. So be generous ladies, the kids deserve it!

Would you like to become a member of the Auxiliary but don't know anything about it? Come to the Ladies Luncheon on May 7th at 11:30am and find out! Everything that we do is for the kids and the Shriner Childrens Hospital - Twin Cities.

Respectfully submitted,
Joanne Andres, Sec.

Escort Motor Patrol

Hello Fellow Ladies and Nobles,
I hope you are all doing well and enjoying the warmer weather. We had a great circus turn out this year. The EMP's were very active. Thanks to all you that participated in "ManPower".

Please note our "Star Program Salesmen" Dale Jensen and Dwight Fercho at work at the Fargodome in the photo.

We look forward to escorting at the spring ceremonial on May 13th on beautiful Detroit Lake.

Soon the grass will be greener and the sun warmer for Parade season. Don't miss out on the fun, make sure you sign up to participate in our Parades this summer!

Keep your tops down, the wind in your hair and Big Daddy keep your mouth closed when traveling at high speeds.

Jamestown Clowns

We Work As One and Get'er Done

Hello to all Nobles and Ladies,
Circus season is wrapped up! The circus is a wonderful gift to the children of all ages, myself can't wait 'til next circus season.

I have such a wonderful time enjoying all the entertainment of the circus. It is unmatched by any other activity that holds attention. Such happiness is gained from even the thought of a circus! I am so glad it can come to Jamestown! OK, enough!!

Justin stepped up and became the Ring Leader of the Circus, it is WAY more involved than one might think. He did not bumble, stumble, stammer, stutter, or was hesitant. He is truly our Clown President! AND every one of us better thank him or give him a pat on the back. I will

put a gold star by his name.

Our last circus meeting was well attended, EVEN Paul S. was there to give his gift of volunteerism, just another show of Jamestown units getting together and getting things done. Thank you.

Summer is here, let's just admit it. Parade season, fun season, Clown season, whatever you call it, it works. And we have fun. Remember, have some fun, work as one, get'er done!!!

Spring Ceremonial is just around the corner; it will be a grand time. Everyone will enjoy! A well attended event makes a wonderful event, SO GO!!

We in Jamestown will find this summer is going to be a marvelous, tremendous, and wondrous howling good season! We Clowns always induce a way to make every year a great year. Funny thing is, we believe it, and then do it! Let's get going!

See you all for the fun, when we work as one, and get'er done!!! Best Unit in EL ZAGAL.

Director's Staff

Hitting Grand Slams in Early Spring

Greetings from the Director's Staff! As this never-ending winter continues, the Director's Staff has been keeping busy!

We had a great showing for the 2022 El Zagal Shrine Circus and we're selling novelties, which were a complete sell out! What an amazing turnout for the shows and all the light up toys and novelties that lit up the stands. It felt good to be working hard alongside our Brothers and Ladies for our cause. Thank you to all the hard work everyone put in to make the circus such a great event.

The Director's Staff barely had time to sit down after the circus and we were at it again with our 11th Annual Suds N Spuds. A near sell out event for us! We had double cooked fries and tots flying all over the place. Another shout out to all the Nobles and Ladies that made SnS a successful event this year! Awesome job by Noble Cal Braun and committee in making this the BEST SnS so far.

This spring has started out so well for El Zagal! The first 3 big events of the year have exceeded expectations -- Wild Game Feed, Circuses and SnS...all great events with sellout crowds.

Although tiring, it feels so good to be in the community again and see the smiling faces on the kids and people having fun. I've said this a few times now...but with the way the crowds have shown up for our events, the community needs us as much as we need them!

Cheers to all those working hard to keep El Zagal growing and successful.

Stay Hydrated,
Shaun Engelsrud

Mobil Nobles

Living Life In The Fast Lane

When we selected the color silver for our sprint car # 6, we were at a loss as to what design to put on it. We already had sprint cars with stars and stripes, flames, lightning bolts, waves and more stripes. We told Jeremy Martin at Kustom Koncepts to come up with something different than what we already had.

Wow, did we get something different. We got tears. Yep, we got tears (definition of tear – pull or rip something apart with force). Look at the silver coating on our sprint car and tear or rip back part of the silver coating and you'll find a blue undercoating. It's like a poor man's sprint car in need of a new paint job to get it back to the all silver look again. This sprint car has to be "one-of-a-kind".

If you happen by the El Zagal clubhouse this spring and hear sounds like the World of Outlaws would make at the fairgrounds, no need to panic. It is just the Mobil Nobles knocking out the carbon buildup in our sprint car engines from the idle winter months. It's hard work; but somebody has to do it!

We are always looking for drivers for our sprint cars. If you are interested in living life in the fast lane, contact any Mobil Noble and we'll get you behind the wheel.

This month's sprint car driving tip – To keep from being covered in dirt and dust, you need to be in first place, in front of the other sprint cars.

Our beloved eminent curmudgeon comes off a few years of sick leave to provide assistance during all six (6) shows: Friday, Saturday, & Sunday for our 2022 Fargo El Zagal Circus. He still has it and spun a couple trays of cotton candy for the Ritualist Divan booth.

Thank you, Dave Skov, for your years of service and guidance running the cotton candy booth.

Also, Thank You to all the ladies, friends, and family members of the Ritualist Divan members who stepped up to volunteer, become a little sweeter, and share a little sugar. Your service and

good nature helped make our 2022 Fargo Circus Cotton Candy booth a success.

Roughly, based on the paper cones we used, I believe we made and distributed over 3,000 cotton candies which should have contributed over \$15,000.00 to the Fargo Circus income.

Thank you all for a wonderful weekend!

Color Guard Croonings

Well, the Detroit Lakes Shrine Circus was a great success thanks to the hard work of the Color Guard Members; with help from brother nobles of Birak and some members of the Divan and the Bismarck Circus Chairman. Doing as much as we could do the day before the circus, such as making cotton candy and some arena setup eased the early morning work for the circus.

As always there were some hiccups which were overcome as we relearned things, made changes on the fly and ignored some small stuff. At the end of the day, all of us Old F---'s in our unit were pushed to positively pooped out.

Some of our Snowbirds showed up to help, notably Always Working Jerome Tappe and Past Potentate Brad Richards. Jerome Tappe functions as our Shrine Ringmaster and as usual he worked up the kids to shout at the top of their lungs for most of the circus. Some of us still have trouble hearing now. PP Brad Richards stepped up to do what he does best – Count Money. He disappeared into the money room before the first show and wasn't seen until well after the last show, but he was grinning from ear to ear.

The shows were great especially since it has been 2 years for a circus. We were not sure what to expect for attendance but all three shows were filled. Kids, parents and teachers all had a great time and left stuffed with cotton candy, food and soda pop, mostly Mello Yellow, for the bus rides back to school and home. Pity the poor teachers and parents with the excitement of the circus experience and sugar highs of the kids.

The Detroit Lakes Tribune and its e-paper- DL On-Line did a terrific job of reporting on the circus with many pictures and a nice article. One problem in the article was detected by the Color Guard. The reporter identified Illustrious Sir Steve Larson not as the Potentate, but as the President of El Zagal. This can be a big problem for us if Illustrious Sir Steve thinks he is President. It is possible that he might be demanding a Limousine and a Security Detail on all his travels. In addition, we members of the Color Guard will have to monitor his phone to

be sure there are no gaps in his phone record. We can't possibly watch him all the time so we may have to call on the Clowns to monitor his activities west of Fargo which creates a dangerous alliance.

At our Circus Wrap-Up Meeting Illustrious Sir Steve Larson reported that all circuses in El Zagal Land were successful with filled attendance and selling out of novelties, sno-cones, etc. A big Tip of the Fez to all! We members of the Color Guard know and experienced all the hard work required before, during and after the circus to make it successful. Although all units had a successful circus, each of us noted some problem areas. We at the Color Guard are documenting and working on changes in our plans for the next circus so we will work smarter and maybe not harder. The work never ends if we want to keep our circuses successful and profitable.

There is no rest for the Color Guard as we wrap up the Circus and jump right in to finishing the planning for the Spring Ceremonial to be held here in Detroit Lakes on May 13 and 14th. We are helping Illustrious Sir Steve Larson with local planning. Illustrious Sir Steve Larson told us the Ceremonial is honoring our own Jerry Anderson and Lady Jolene. It is a well-deserved honor for Jerry and Jolene as I know personally the hard work he has done over the years both in Lodge and the Shrine. I don't think we have to worry about this honor going to his head as he is too humble for that.

There are many fun events to be held including a Fish Fry at our Club on Friday Night. Saturday has events at the Historic Detroit Lakes Pavilion on Little Detroit Lake right across the street from the main Hotel which has rooms reserved for you visiting nobles. Better get your reservations in and get your Lady and yourself over here for another great time in Color Guard Land.

Signing off is Dan Holm, the interim "Lars" not a "Lars want to be".

-- Remember there is nothing finer than to be a Color Guard Shriner.

Jamestown Mystics

Now We Have Bigger Fish to Fry

Hello everyone in El Zagal, hope everyone is well at this time.

The El Zagal Mystics have been BUSY like always. We just had our 41st Annual fish fry and it was another Grand Slam. I want to thank Sir Steve Larson (Potentate) and lady Bonnie and The Divan for attending.

Our Fish Fry Ticket Chairman PW is still counting tickets and I know it's going to be a huge number. Big Thanks to Bryan Burrow for heading up the kitchen and everyone who helped out and President Brock for keeping everyone in line; well done thanks. 1 1/2 weeks later we are at The Jmst civic center for the annual Shrine circus. "Hot Dogs, 3 tickets, Come get Your Hot Dogs", as I worked the hot dog station. We sold 880 hotdogs. Wow it was good to see everyone that came out to enjoy the show.

Of course we are still selling raffle tickets for our 11th Annual Gun Raffle (not many tickets left). Get your \$100 ticket for a great chance to win some sweet guns.

And of course we have our 2nd Annual Fishing for a Cause raffle tickets. We are honoring the Home Show special \$20 for 1 or 5 for \$100 to have a chance to win a \$7000.00 4x4 or \$3700.00 Harley Davidson Electric Bike. Help us support the children.

Parade calendar is getting filled and everyone is getting anxious. Brock and the men have all the parade units ready to go; new paint, new tires ready to make El Zagal proud.

I want to wish everyone a Happy Easter hope everyone could spend time with family and friends.

EZ Wheels

A "Hole" Lotta Stuff Happened

EZ Wheels Shrine Club has had a busy winter. The Corn Hole league with 24 teams wrapped up the first week of March with 2 divisions of winners. Plan is to see if league can be enlarged to 32 teams next year.

On March 11th, a social night was held with a Corn Hole tourney for everyone that attended. A good time was had by all.

March 12th was our annual Corn Hole tourney in which 41 teams participated. A consolation round was also held and winners were declared in both divisions. Special thanks goes out to Mr. Corn Hole, Craig Beedy for all of his hard work for both the league and the tourney.

We also had our EZ Wheel Truck Drop raffle this winter. Our truck was put out at the Little Britches Pond and tickets were sold for \$5 a piece to guess when the truck would drop. The truck finally fell into the icy waters on April 4th at 9:31 PM. Last year the

truck dropped on March 20th so you can see the difference in winters, and it still isn't over.

Overall winner was Mr. Rick Bosche as he had the closest guess without going over and was the Grand Prize winner of \$1000. In addition, we drew 10 random \$100 winners. Thank you to all

who purchased tickets.

Below is Jon Lindburg, Ron Qual, and Joe Burgard presenting Rick Boschee with his grand prize.

El Zagal / S&L Computer Services PRO / AM Golf Tournament

As the weather eventually turns to warmer, less snow, and rain weather, we start to think about golf season.

The 24th Annual El Zagal – S&L Computer Services Charity PRO/AM Golf tournament will be held on August 24th

The PRO/AM is a 100% net proceeds to our cause, contributions go to the EZ transportation fund and hospital in Woodbury. On average we are contributing between \$17,000 - \$19,000 annually to our cause.

In 2021, all 30 amateur team spots were filled. A spot is being held for your 2022 team. Be proactive, if you had a team in 2021, let us know of your intent to play.

Our greatest source of funding is with Hole Sponsorship. Consider advertising your company for the children.

Contact any of the committee members to secure your spot in the PRO/AM

Shriners Children Open Las Vegas --- October 3-9

Join us in Las Vegas October 3-9, 2022, as a volunteer for the Shriners Children Open. El Zagal is sponsoring Hole 15 and we need help! If you volunteered last year, registration is open. If you are new to the experience, registration will open soon.

Go to shrinerschildrenopen.com/volunteer and click on the volunteer tab. Follow all the prompts to register. Registration is \$65.00

Please indicate on Registration you are with El Zagal and want to work with the group on hole 15. Included in the registration you receive a volunteer polo (gray this year), a maroon jacket, and a cap or visor. You also get access to the golf tournament when you are not working and food on the days you work.

You need to work 3 shifts throughout the tournament. The tournament days are Thursday through Sunday. Please indicate on registration when you are available, but we need to fill all positions and we will do our best to honor requests. You will need to select other volunteer jobs but that is a formality on the form. The #1 position you should register for is Marshall.

On the Website there is information about hotels. The Suncoast is the hotel for volunteers. Reservation cutoff date is August 30th. There is a special room rate for volunteers, and you need to use the code on the website when making a reservation. You are also responsible for your own airfare and transfer to hotel.

If you have questions please contact Brad or Barb Richards.

Bismarck Dusters *Memories & Smiles Over Many Miles*

This will be my last time doing the Camel Tales for the Dusters.

The shrine has been a big part of my life – as I am closing in on 70 years as a Shriner. I have enjoyed being a Shriner – just as I have enjoyed being a Duster. I recently sold my house (to another Shriner and Duster), have moved to a retirement home, and am in a different environment. I was unable to work the circus and the car show – not my usual reaction to either.

So let's get to the Duster news! At our meetings in March and April, both called to order by our inimitable Tim Dawson. The usual minutes and Treasurer's reports were read. And it was reported that the Eastern Star prepared yet another good meal.

The car show was the primary topic. Bob Simmers said there 2,211 paid attendees at the show, plus children, volunteers and promoters. While the gross income was \$45,000, there are many outstanding bills to be paid. A big thank you was given to Bob Simmers.

It was also reported that Rick Paulson's mother had died, and Bob Johnson's father-in-law had died.

It was further reported that if anyone was in need of Duster clothing to contact our President Tim Dawson.

The April meeting focused on the return of the circus! It was reported that in excess of 10,000 people attended and that all novelties were sold. While there were no tigers, there were elephants! Just ask Clint Bergstrom – he made front-page news feeding one of the elephants apples.

It was reported that all of the local lodges have candidates and they will come together on May 10 (10 of them) for Low Vale when all of them will become Master Masons.

A final goodbye as we keep...em rollin'... rollin'...rollin'
