POTENTATE'S MESSAGE

Welcome to the warm days of summer! It is a magical time of parades, picnics and family vacations. As a Shriner, you ESPECIALLY love parades!

El Zagal's Divan participated in the Imperial Parade in Minneapolis recently. It was a lot of fun, and we saw Shriners parading from all over the country. What an awesome sight! It was a special honor to stop in front of the reviewing stand and give a salute to the Imperial Potentate, to our very own Imperial Sir Matt Sturlaugson, and all the other Imperial Officers.

to the Dusters and all the units in Bismarck for winning the 3rd place award for FUN AND FELLOWSHIP. This award was presented to them at the Imperial Session. I was very proud to accept the award on their behalf. Way to go all of you! Thank you for all you do for the mission of Shriners Children's!

As of this writing, we are getting ready for the MSA session in Green Bay, WI. We are hoping to have teams competing there, and of course we will be there to support them. Good luck all!

You can find details on the Potentates Trip to San Antonio and the beautiful River Walk elsewhere in the Camel Tales. Lady Bonnie and I are excited to enjoy your company as we take in the sights and tastes of San Antonio. Brandi at Jamestown Travel is making the arrangements for us, so give her a call! The more, the merrier!

This year at our fall ceremonial in Bismarck on September 23rd & 24th, we are going to try something new to showcase all of our clubs and units. Our 2nd section will be held at 2 p.m. at the Raddison. This will be a club and unit showcase.

I am asking that ALL CLUBS AND UNITS have a display table talking about their units and clubs. This will be for all new candidates and ladies, along with the rest of the attendees. This is an opportunity for all of us to showcase what we do, and hopefully recruit new members. This will only run about 1 hour. You are encouraged to have displays, drawings for a prize, etc. It is a great way to show off what each of our units do.

In closing, always remember, NEVER FORGET! It's a great time to be a Shriner, and there is NOTHING finer than an EL ZAGAL Shriner!

The sessions were interesting, and involved great debates on many important subjects. One of the most interesting was a vote to raise the per capita fee. With falling membership, there is a need to replace the funds that are lost without those members. I assumed it would be a sure thing. I was totally surprised that the legislation failed.

That puts the burden back on us and our recruiting efforts. Nobles, we are in need of new members, not only for the per capita, but for our very own survival. We need to focus on that for the remainder of the year. Invite your friends and relatives to the fun you are already having around your Temple and units or clubs. If each one of us sponsored one new member – only one, we would be back to being a Gold Temple, and life would be grand for us. Please do what you can to share the fun with others!

I want to send a special CONGRATULATIONS

EAGLE SCOUT PROJECT

Greetings, my name is Jackson Schroeder. I am a Life Scout with Troop 214 in North Fargo. I am organizing a flag pole renovation for my Eagle Scout project at El Zagal Shrine. I chose to do this project because it will leave behind a legacy of scouting at the Shrine with people seeing the flag every day. I sincerely thank those at El Zagal for giving me the opportunity to do this project and helping with the funds. I would not be able to do this if it were not for the generosity of this organization. Please stop by and check out the progress.

A few of us took the tour during Imperial to see the Shriner's Children's in Woodbury. A very beautiful facility; small room for toys but very well organized.

We just donated 4 blankets and 80 toys that have been collected. Thanks to all who are able to participate and thank you to the Vikings for your generous donation.

Membership Growth Brings New Ideas

I attended my first Imperial Session in Minneapolis, and it was interesting to learn what some other chapters are doing to increase their membership status by bringing in new members and keep existing members.

We still need to keep doing the traditional things that are fun and gets us in front of people or crowds and be flexible to new ideas. One chapter has the Superheroes in their parades which has been a big hit for them.

Do you have a new idea you'd like to try? And as you look out amongst your kids, and for those older grandchildren ask yourself "What do they like doing during their free time?"

What is it that we could be doing to attract new members but to also keep the existing members happy and involved?

BISMARCK SCREENING CLINIC

Good news from Bismarck; the outreach clinic is back into full swing. Our first clinic this year was held @ the B&J center March 7th. This clinic was just 1 day to play catch up from last fall. Around 20 kiddos were treated that day, between seeing the doctor and/or POPS.

Next, another one was held June 7th. This was

scheduled for a 2 day clinic, but the airlines had other ideas. The MN crew sat in the airport for about 8 hours before they were able to make it to Bismarck. This caused Monday's patients to be cancelled. Some fortunately were moved to Tuesday, some of course could not. Darn pilot issues! All in all I still call it a success because again about 25 patients were treated.

The MN staff along with Hospital Rep Garret pose @ the Bone and Joint Center in June.

Also, please note the 2nd photo. This is a special creation from wife Deb & daughter Paige. These are the treat bags all patients and siblings go home with after their visit. With Covid restrictions, we came up with a fun solution to be able to provide goodies to our patients and of course staff!

Everyone loves them and the MN staff have pleasantly commented how we are the "only screening clinic to offer this". It's pure delight to

see the faces of these kids when they receive one! Be on the lookout for the next scheduled clinic near ceremonial time in September. Keep finding those kiddo's so we can keep offering this service.

Garret Njos (Deb!)

Director's Staff

The Challenge is On the Horizon

Once again the summer started slow and in a blink it's August. I hope everyone is having a fun and safe summer.

The Director's Staff has been planning and working on our upcoming events. Noble Casey Schoer and his crew are getting the 2nd Annual Hole in One Competition underway. We have some excellent sponsors this year and you may have heard some radio ads promoting the event also. We are excited for this one and looking forward to seeing everyone there. The Hole in One Competition will be held at El Zagal Golf Course on August 28th.

We have some news on another event we're planning for this fall. We are planning on a "Making the Stag Great Again" Stag party for October 28th. Please keep your eyes open for this in the future. Due to limited tickets available be sure to get your tickets early!

Stay Hydrated,

Escort Motor Patrol

Hello fellow Nobles and Ladies. It's hard to believe summer is half over. We recently had a great success with our Meat Raffle. Thanks to all those who bought tickets. Among the winners were Illustrious Sir Ringo and Aaron Hovland my business partner. We had 5 vehicles in the Detroit Lakes Water Carnival. It was a great time. It sure would be nice to have 9 cars in the upcoming Parades.

We are still hoping to find a date for the food trucks this fall. We will keep you updated on this fund raising event.

Kind regards,
Pat Jones

FUN RUN 2022

Been there, done that, we'll do it again...the 2022 EZ Fun Run is in the books. Lots of good roads, perfect weather, great scenery, and a good time was had by all. The consensus is, if you're not participating, you are missing out. 2023 looks like we will be heading WEST to give more opportunities to more people in the El Zagal realm.

Until it's time to call kick stands up, or for our car peeps, start your engines!

Bismarck Dusters

Arriving At Mile Marker 60
We Keep em Rollin'... Rollin'

The Dusters held their July lunch meeting at Masonic Lodge #5 with 16 members present. Lady Duster, Meghan Will attended to explain the details of the Duster hosted Fall Ceremonial to be held at the Radisson Inn and Bismarck Eagles Club on September 23 & 24. Tentative plans include Sporting Clays which will be offered in the afternoon on September 23.

A September 24 Fall Ceremonial Parade which will start at the Mandan Eagles Club and end at the Eagles Park with a drive through the Liberty Heights Senior Apartments.

On September 24, activities will be arranged for the kids ages 4-12 for the morning and afternoon.

The Fall Ceremonial agenda appears in this issue of Camel Tales.

Fun was easy to find at the home of Duster Brian Day as he hosted fellow Dusters on June 23. The Duster bar was well served. The July 21 Duster Social will be held at the garage of Jerry Thomas. Bob Simmers will host the August 18 Duster Social at his home in south Bismarck.

The Dusters attended the July 12 Larks game which was sponsored by Masonic Lodge #5. The Dusters are signed up for the July 16 Lincoln Days Parade, as well as a car showing at the old Governor's Mansion on August 14 as part of the City of Bismarck's 150th birthday anniversary.

The annual Beer-n-Brats event will be held August 23 at Masonic Lodge #5.

The annual Fly In/Drive In is still on the schedule for Sunday, September 11 at the Bismarck Aero facilities.

I forgot to mention in the last Camel Tales that the Missouri Slope Shrine Club hosted the Summerfest Social and Dinner Party on June 2. Most of the area Shrine Clubs and Units were represented. One lucky individual won both of the 50-50 raffles and he surely was congratulated by some of his fellow Dusters, not really. A good time was had by all as we even had a live band.

Finally, the El Zagal Dusters will be 60 years old on July 23.

Bob Bartosh

Hear Ye! Hear Ye! Let's Celebrate Beer!

Calling all beer snobs, chemists and people that love beer. I am pleased to help create a new club for El Zagal. We will explore the world of beer, primarily tasting and brewing. Sound good so far?

If you have an interest in brewing, drinking and exploring the world of beer this group will be for you. We will teach and learn the science of brewing, we will share our good works, we will visit and tour breweries. We will become a part of a network of Shrine Temples that have a brewing club. This is your chance to be a part of creating a new club in El Zagal.

So if you and/or your Lady are interested in all things beer please contact Clint Bergstrom via email or text: clinton.bergstrom@gmail or cell 701-238-7374

We will start an email chain to discuss some ideas immediately. I would like to have an initial meeting during the Fall Ceremonial in Bismarck September 23/24th. Please plan to attend.

Cheers,
Clint Bergstrom

Misfit Musings

The Scent of Hog Heaven Fills the Air

Greetings fellow Nobles and Ladies,

The Misfits BBQ Club has been busy this summer. We have had our members and our cookers out in force!

We've been able to market our BBQ (and the Shrine's philanthropy) at the Moorhead Car Cruise. These car cruises are held on the first Thursday of the month. Come on out and get some great BBQ while you admire the cars.

Jerry Schatzke, Mike Rieckman, myself and my Lady Lisa traveled to Bagley, MN to attend a live taping of "Mad Dog & Merrill's Midwest Grilling". They put on a great show. During filming, they gave us Misfits a couple of plugs on their TV show.

What a great bunch of guys, and wouldn't you know it--Fast Freddie (the musician) is a Past Potentate (2002) of Beja Shrine in Green Bay, WI. We enjoyed musing with him about circuses, fundraising, and fellowship.

We set our smokers up again this year to BBQ some pork for Choice Bank's "Go Hawaiian for Hospice" event. They had a great crowd (served 900) and it was a perfect day weather-wise. We smoked 300 pounds of pork butts and a whole hog.

As the year progresses, watch for some more of our events. We have a great event coming in October. See more details in your Camel Tales.

Nothing fills the air better than the smell of BBQ! Until we meet again!

Color Guard Croonings

This article may be more brief than normal. Dan aka The Interim Lars, not the Lars want to be, and his Lady Donna were busy with events beyond the Shrine. We were in Duluth helping with planning for both of our 62nd High School Class Reunions. Then later we went to the Twin Cities to celebrate the arrival of our second great granddaughter.

It is important to remember that life has many offerings that exist and we must not lose sight of keeping connected with family and "friends of long standing". At my age, I do not use the term "old" as it is redundant and scary. As a result of our travels, I am having to rely on sources with in the Color Guard to inform me of what has and is happening.

At this writing the summer parade schedule for us is in full swing. A number of parades have been completed and this week, we are looking forward to the Detroit Lakes Water Carnival Parade and its Oasis for all attending Shrine Units at our clubrooms immediately following. Turnout of our members has been low due to competing events, but a resilient few have carried the flags and played the drums. A note to all members of all units, it is important that we show up in force to promote our fraternity and its philanthropy. That is one important reason we all joined. Therefore, show up, do parades, help with other events and have fun. Enough said. I talked with the Color Guard's own Illustrious Sir Steve Larson who informed me of the goings on at the Imperial Session held in Minneapolis. He and the Divan represented El Zagal and I'm sure they did a fine job. They visited and learned from other Temples around the nation. I will leave it to Illustrious Sir Steve to report on all his work and his not so much work [fun] at the session.

My sources in the Color Guard are extremely quiet and information about our unit this month is very bleak, so it will be next edition to find out who did good or who did something that is worthy of a oops note.

Signing off is Dan Holm, the interim "Lars" not a "Lars want to be"

Remember there is nothing finer than to be a Color Guard Shriner.

ND Shrine Bowl 2022

WOW! We had a great week at Mayville State University, with 120 high school football all-stars from across North Dakota and western Minnesota, along with 16 of the state's best coaches. The week was full of football, fellowship, fun, and philanthropy! We were honored to have three phenomenal Shrine patients, Gavin Bennett, Parker Hanson and Gabbi Sturlaugson, share their stories and have a little fun with the young men on Thursday June 16th, dubbed North Dakota Shrine Bowl Patient Ambassador Day.

We also had the privilege of hosting one of our National Patient Ambassadors, Connor Wright, his mom Kelly, brother Jack, and sister Peyton. We enjoyed a behind the scenes tour of NDSU's athletic facilities, guided by Jack Maughan, Senior Associate Athletic Director, followed by a little friendly competition at Suite Shots. What a phenomenal young man and family.

Now onto the main event - Game Day, kicked off by a short parade surrounding the campus of Mayville State University. Special thanks to the following units that came to support us: Clowns, Color Guard, Directors Staff, and our Mobil Nobles.

The awards banquet hosted more than 500 players, coaches, families, and distinguished guests, all capped with a live auction raising more than \$17,000 in a matter of minutes!

With the parade and banquet completed, it was onto the grid iron with temps hovering around 90 degrees and 25-40MPH winds. Despite the conditions, the coaches and players came prepared to play for something bigger than themselves - and they did not disappoint. The East teams prevailed in both 9-man (14-0), and 11-man (14-10) contests, but everyone left a winner.

It takes every spoke to make the wheel go around smoothly and there are so many to thank for the success of the 2022 North Dakota Shrine Bowl. None of which is possible without the support and dedication of our board members: Shane Heiberg (past Chairman), Ryan Kloster, Mike McCall, Scott Schafer (past Chairman), Joel Swanson, and Honorary member Imperial Sir Matt Sturlaugson (past Chairman).

Mark your calendar for next year's Shrine Bowl week, June 20-24, with Patient Ambassador Day slated for Thursday June 22nd.

Jamestown Clowns

Details Make the Difference

Hello to all Nobles and Ladies,
Can you believe that it's August. Our July meeting was fantastic except Bill L. screwed up the seating chart. AND secretary Alex Looysen was late...go figure...he is his father's son!!

Our Bike run was a windy son of a b%&\$%. We still had an anomalistic turn out. Everyone had a mythological time. It was truly beyond belief.

The pumpkin patch is doing great. However, we need people to hoe weeds. Whenever is fine, how much you choose to hoe is fine, just hoe the weeds. Get hold of Jon Linberg or Larry Loose. ASAP! The flowers need it too!!

Perham Parade was thankful Jamestown Clowns showed, they made a great event even better!

Wimbledon should have been a grand parade, they really appreciate the clowns.

Detroit Lakes Water Carnival Parade was another soaking wet event. The new guys that attended understand now what being wet at a parade really means. It is always a great time.

Our own Jamestown Parade was a very fun event, we should have had 100 clowns parading. That would make everyone watching amazed. --- Really, we should have at least that many.

Justin, our fearless leader, put on an Oasis that we all could enjoy; Hamburgers, Hotdogs, Potato Salad, and Baked Beans with, of course, beverages. Thank You Justin, I still think you out did yourself by putting it all together by yourself like you told me.

This is so far a pretty short article, but very informative. Next month will be September. WOW... FALL IS HERE.

Thanks for Reading This...

Jamestown Mystics

It's Exciting When the Fish Are Biting

Hello everyone in El Zagal hope all is well. El Zagal Mystics have BEEN BUSY. The A team made the trip to Wimbledon to take part in their annual Wimbledon Palooza parade. Craig M. took the wheel as Scooting Scotty, Colin W, PW and Beer Man shinned the streets with our parade units, leaving tire marks on street corners. We handed out candy making kids happy and shaking hands as they thanked us for coming as they like seeing the little cars.

Afterwards, we cooled off at the local watering hole promoting our 3rd Annual Fishing for A Cause event that's coming up on August 13th. A great kids event starting off with a fishing tournament for kids, face painting, bounce houses, a lot of day prizes, live music and, of course, food.

And new this year we will be having a ping pong ball drop from an airplane flying over us for some cool prizes. Jeff (Scrappy) Oster will be cooking burgers and jumbo hot dogs on our mobile cookin' machine. Of course we're still selling \$20 raffle tickets; over \$20,000 in prizes. So if you haven't gotten a ticket, get hold of a Mystic member today and we will sign ya up. Next parade is this coming week. Jamestown's Buffalo day parade as Brock and the boys are BUSY changing tires, putting new steering wheel on... (Don't ask, it's a long story).

Jim is putting new line on fishing poles getting ready for the Potes annual fishing trip, as he's taking 4 Mystic brothers with him.

That's all for now, catch ya next month.

Thanks

El Zagal Mystics
