## POTENTATE'S MESSAGE

The hands of time are moving along, and soon we will be staring down the barrel of the Holiday Season. It is just amazing how fast this year has gone.

Lady Bonnie and I have been busy traveling to Shrine events as much as our schedules allow. We had an awesome time at the Fall Ceremonial in Bismarck. Our friends out west sure know how to have fun! Friday was the Roaring 20's theme, and just about every person there came in a costume! How fun was that??

On Saturday, we had our Ritualistic Divan bring in the new candidates, and did an outstanding job at that. Of course there was the parade and all the fun followed. We especially enjoyed the banquet.

the chance to catch the Potentate without a challenge coin. With a little help from Imperial Sir Matt Sturlaugson, he was able to earn a cheeseburger and fries meal from me. I will pay up too! We also had the opportunity to volunteer at the Shriners Children's Golf Tournament

in Las Vegas. We had a nice crew there to represent El Zagal Temple on hole 15. It sure was fun watching the pro golfers make unbelievable shots. I believe golf lessons are in this Potentate's future!

Even though the year is winding down, we cannot forget to share the message of our mission to other people. We need to continue to focus on new members. There is so much fun to be had in the Shrine, and we have a responsibility to share that with someone new. Our membership numbers have declined, especially after Covid, but we are strong enough to pull back. Any new member signed up now will be paying dues for 2023, so there is the chance to get a couple months free. What a great opportunity.

As far as those Nobles who are delinquent, please do your best to get current and give us another shot. I know for myself, if it were not for the Shrine, I probably wouldn't have met most of the friends I have now. That means a lot to me.

As I have traveled around our little part of the world, I cannot express how proud I am of the work we all do in El Zagal. Our Temple is something we should all be very proud of. We are helping families with travel to clinics and hospitals, and we are making a huge impact on their lives. It is because of you and your efforts that we are able to do this. Let's keep the good work going. It is why, "I AM SOLD ON THE SHRINE!"

Fraternally yours,

## Wild Game Feed 2023

It is that time of year again. The leaves are changing, the wind is getting brisk and we are looking forward to all things fall. "All things fall" means fishing is wrapped up for the time being until ice forms and hunting season is here. This brings me to the point of the article.

The wild game feed is quickly approaching. Mark your calendars for February 18th 2023. The event will be from 5-9 as usual. This is a BIG temple wide fundraiser and I REALLY need your help. How can I help you say? Well, there are many ways. As always, we will ask each unit and club to donate a gun to be given away and are also asking that members of your unit run the game that gives your gun away.

We also need help in many other ways. We need manpower in general. Please come and help us in any capacity you can. This can be in the area of food or games. As they say, many hands makes light work.

Do you have a great wild game recipe that you think will be a hit? Let's talk about it and see if we can incorporate it into the event. We would even love it better if you took on the challenge of preparing the dish for the event. You don't have a recipe you say? Well, come and help prep the

week leading up to the event. We need people to help prepare the food and the more people we have the faster it is. You may just have some fun in the process!

You can't make the event? We need all kinds of wild game to make this a success. Please donate game meat. Large or small quantities are all helpful. We are looking for venison, moose, elk, pheasant, boar, antelope, duck, northern pike, walleye, etc. If you have something exotic, reach out. We would love to make a dish with something different.

Meetings will be held as needed and will become more often the closer it gets to the event. Watch for emails as I will have Andrea send out emails regarding the meetings.

I am going to attempt to make it to as many unit meetings as possible to discuss this event. Please put this on your meeting agenda to discuss how your unit or club can help.

If you have any questions, or have meat or fish to donate, please reach out to me at 701-532-1123 or cbraun@integrityfirst.net

Best Regards,  
Cal Braun

## Sawyer Children Raise Funds for Shriners Children Healthcare-Minneapolis

Lyla, Ahna and Zoie wanted to make a difference and raise funds for the Minneapolis Shriner Hospital to help children. They recently attend the El Zagal Jamestown Mystic's Fishing for a Cause unit fundraiser in August along the Jamestown Reservoir.

Knowing and having awareness of fundraising needs for needy children gave them the idea to sell sweet corn and donate proceeds to helping children. They picked pickup loads of corn, advertised on social media and sold a lot to neighbors and people in Cooperstown and Glenfield.

Their excitement and energy to help kids is awesome. Their sales also received a match from Walen Farms of Glenfield. The Sawyer girls are excited to give \$1,373 to the Minneapolis Shriners Hospital to help children.

## Membership

It's hard to believe that the leaves are turning colors and falling, Bison Football is halfway through the regular season, and its hunting season. It's already been 3 weeks since the Fall Ceremonial in Bismarck.

One thing about either Spring or Fall Ceremonial is that it is a time where we can reflect, listen to the stories, but also reminds us why we're Shriner. I'm also hoping our new members are feeling the bigger purpose of our mission as well.

Is there a potential new member that you need to get back in touch with?

Are you a newer member and would like to try a new event but don't know where start?

Is there something holding you back from being more involved?

I'd like to hear your thoughts and then see what we need to do to put those thoughts into action.

Regards

Russell Schell

Membership Chairman.

## Escort Motor Patrol

Hello Ladies and fellow Nobles,  
Happy Halloween! I hope you are all enjoying fall. Thanks to the Dusters and area units for the fun fall ceremonial. We had a great time. I highly recommend the Capital City Sporting Clays Club to anyone visiting Bismarck Mandan area. Jen enjoyed the sign making too. Things are pretty quiet for now. The cars are put away until the Parade of Lights. We will be having a Christmas unit gathering after the Parade. November 1st is our last night this year to host Tuesday night burgers. Please come out and help out or just come and have a great meal. I hope everyone has a happy thanksgiving and enjoys time with your loved ones. That's all folks!

## Color Guard Croonings

Well September closed off with a bang. The Color Guard crew was split between the Fall Ceremonial in Bismarck and the last parade of the year in Lake Park, MN which is the hometown of Illustrious Sir Steve Larson. We know that the parade was a success and the weather cooperated by peeks of sunshine at the start time.

However, we hear mixed messages coming from Bismarck. We understand that the Ceremonial went well with good crowds and fun time as the Roaring 20's. There is some information that Illustrious Sir Steve lost his fez at the hotel bar. Too much Miller Lite? Nah, not for him! Luckily Paul Meszaros, Little Lars and Potentate's Aide came to the rescue and grabbed the fez. But rumors are that he and others wanted it to be held for \$100 ransom. Luckily, Paul's Lady Janae did the right thing and delivered the coveted fez back to Illustrious Sir Steve the next morning.

Our Circus pre-meetings are about to start and after the Covid shutdown and the scramble of the last year to put a good show on for the people, we realized how much work we were doing in the pre-Covid years. By starting early with pre-planning, the work load is spread around earlier. The actual work pre-Circus begins in January and the Circus should be less work in the month before and on the actual day.

At this writing the "Potentate's Trip to San Antonio" about to start. It should be a good time for all who attend, but worrisome for the Color Guard in that Illustrious Sir Steve will be out of our range to see that he is adequately controlled. In one of the first Color Guard Croonings I wrote this year, I stated that it was good that the Potentate's position had the limit of one year because the way Illustrious Sir Steve was planning his next step would be a world tour. Well, this year he has travelled around El Zagal land to all

corners. He has traveled the region outside of El Zagal land and now is stepping out to travel the United States. Could this possibly be a recruiting trip to Texas for membership in El Zagal???

November starts the Holiday Season beginning for some with Deer Hunting and culminating with New Year's celebrations. We wish all safe and healthy celebrations. Safe yes, Healthy, Nah!!! just kidding, not going to happen with all the goodies that will be around for two months. Take the time to enjoy the season, Family, Friends and everyone during this time.

Remember there is nothing finer than to be a Color Guard Shriner.

## Director's Staff

The days are a little shorter, the temps are a lot cooler, so this must mean only one thing...Fall is here!

It was a fun and busy summer for the Director's Staff, between practicing for and attending MSA in Green Bay to setting up El Zagal Golf Course for our Hole in One Competition, we had a great summer!

Our Hole in One Competition was a blast! Noble Casey Schoer and his committee worked hard and put together a great event! We partnered with the new golf venue in Fargo...Suite Shots to help promote the event and all the great sponsors that helped us out, Nereson Chevrolet/Cadillac, Gateway Chevrolet, Stutsman Harley Davidson, RDO Moorhead, Tito's (my favorite), along with others, Thank you for your support! Although we didn't have any hole's in one, everybody had a great time and hope to see everyone at the event next year. Now that the motorcycles are put away, we are

nestling in for the season and getting ready for our upcoming and next year's events.

We had our Director's Staff Officer elections this month and I'm excited to announce our upcoming officers: President Casey Schoer, VP Cal Brawn, Secretary Ian Sommerville, Treasurer Bob Anderson. Congratulations to the executive board and look forward to seeing what you bring as the Director's Staff moves forward.

Our next event coming up is the fall edition of our Pizza, Puzzles, and Beer on Wednesday, November 23rd. Get your team together and get your puzzle on!

I hope everyone has a wonderful fall and see you soon.

## Bismarck Dusters

The Dusters had a busy September. The Dusters were highly involved in organizing and working along with other El Zagal Shrine Units, Spouses, Masonic Lodges, Eastern Star, and Rainbow Girls for the September 11th Fly-In Breakfast.

About 25 pilots with neat planes flew in from various parts of ND and nearby states for the airplane/car show held in the Bismarck Airport Bismarck Aero Center Hanger. The object of the Fly In breakfast is to provide funding for our local Robert Asker Scottish Rite Speech Therapy Center, which had been cancelled since 2020 because of the Covid Epidemic.

We had a record turnout, serving over 1,100 people who enjoyed a pancake, egg, and sausage breakfast, until the food ran out. We want to thank other organizations, businesses and sponsors who attended with great exhibits such as the Puklich Chevrolet, Civil Air patrol, Helicopter Ambulance, Dakota Territory Corvette Club, Chevy Club, Duster cars, old airplanes, Face painting, Silly Goose and his balloons, Thanks to all who made the Fly-In a success.

On September 23 and 24 the El Zagal Fall Ceremonial was held in Bismarck with good attendance, thanks to the organizational efforts by our own member of the Divan, Asst. Rabban Travis Will, and Lady Megan.

Friday afternoon there was a Sporting Clay Shoot at the Capital City Sporting Clay Range. All who attended had a great time most were good shooters, even after they had to be shown how to load their shotguns. Friday evening, everyone enjoyed the Roaring 20's costume party. Pote Larson entertained from the podium, and everyone enjoyed choice hors d'oeuvres and beverages at Radisson Hotel.

On Saturday we had 6? Candidates welcomed into the El Zagal Shrine include Kye Hanson, Brian Herrmann, and Len Wall. There was a short parade in Mandan (and if you blinked, you would have missed half the parade) followed by a great lunch at the Mandan Eagles Club. Saturday evening a formal banquet was held at the Mandan Eagles with tasty food, and dancing. There is no truth to the rumor that Asst. Rabban, and Duster Travis lost his pants at the blackjack table in the bar, but it didn't stop him and Megan from cutting up the rug on the dance floor.

The Dusters are starting to plan the March Car Show to be scheduled in March and after that it will be time to.... Get those motors running.....head out on the highway.....lookin' for adventure.....or whatever comes my way...

Shaun Engelsrud

## Jamestown Clowns

Hello to all Nobles and Ladies

November is upon us. Relax, time ticks away for everyone the same.

The Idea of a corn maze and selling pumpkins was one that Steve and crew had.....let's say it was a good one. Now the whole carnival is getting a great review. A lot of work, I will say that again, A lot of WORK, is involved, and the fruits of the labor are again overwhelming. Congratulations Clowns, we have done it again!! Our group claims 122 or so members, 45 is a more accurate description. But with our Ladies we are a large unit. The Ladies do so much to help us, we need to thank them every day!

The Divan stopped by and I think they were amazed at the amazing Corn Maze and carnival atmosphere. Thanks for coming, really you just stopped by on your way home from Bismarck. We wouldn't want you to make a special trip to see the Greatest UNIT in El Zagal, doing what we do best working together! Although we will have to rethink our security.

There was an attempt to rob the strong box with all the loot in it. Odd that it should have been on the train but somehow got left on the dock. Luck was with us. Of course the thieves were incompetent, and acted like clowns, need I say more?

Opinion paragraph: If the trebuchet was \$8 a throw, I'm sure we could get 70 people a day to try it. That is 10 per hour or every 6 min. on the Saturday session anyway. That would be more cash than \$15 a time and 7 times a day, or once an hour. I could be a little off on the numbers. But everyone should talk to Nick about it, he has the facts. Don't thank me right away, it may turn out better than you think.

Also I must say again, Jamestown and surrounding areas support us like no other community imaginable, so if anyone ever says anything about what we do or thanks us for doing anything, STOP them in their tracks and THANK THEM FOR SUPPORTING US AND OUR MISSION.

CLOWN FOR A NIGHT is coming December 3rd. As always, first Saturday in December, SPORTS is the theme. Be there or be square. Fun, fellowship, food and of course fanciful dancing to a great live band. Get your tickets NOW !!!

There is so much more to talk about, so let's get going. Seth has a great picture in the North Dakota Living as well as an award winning article about things we members appreciate.

Our President Justin is coming to the end of his reign, so let's give him a round of applause for doing such a grand job. He saved the circus, and a lot more behind the scenes that only a few of us know. He has done a marvelous job, Thank YOU.

Gary sounds like he is trying to sway the building, grounds, and maintenance group to go with his idea, but yet, does anyone know what that could be? Just stirring the pot.

We all hope Jay and Nichole can return to Florida to a safe and intact home. Such a catastrophic storm is hard to imagine the destruction involved. We wish you the best. As we do for everyone with homes in the affected areas.

Happy Halloween, Thanksgiving too.  
Thanks for Reading This

## Provost Guard

Greetings Noble Nation! It has been a minute since our last Camel Tales article so I will attempt to catch you up.

First up is to thank everyone who attended and participated in this years Bierstube. The event was a success in every aspect. As Merle would have said “good times and fellowship”. Again, thank you all and see you next year.

With November comes the election and installation of our new unit officers. But first lets recognize and thank the following for their service: Chief Jerry Schatzski (20-22); Vice Chief Blake Wrigley (20-21); Vice Chief Jeff Woods (21-22); Quartermaster Eric Johnson (20-22); Adjutant/Secretary Joel Swanson (20-22); and Treasurer Kieth Lingle (20-22). Thank you gentlemen!

The newly elected officers are as follows: Chief Jeff Woods and Vice Chief Mark Grothe. We are

pleased to also announce that the remaining officers have agreed to continue in the current positions! Thank you Eric, Joel and Keith!!

In the spirit of the upcoming holiday season, the Provost is looking to partner with another unit for a Christmas/Holiday party. All ideas are welcome and we look for some interesting proposals.

Cold weather is upon us. Stay warm.

Best regards,  
**Mark** “I’m no writer, but I was Jeff Kolpack’s roommate for a few years” Grothe

## Jamestown Mystics

Hello brothers and sisters of The El Zagal Shrine, hope all is well.

Sorry we missed you last month, our news got lost in the mail. The El Zagal Mystics have been Busy!

August 26th Scappy ( Jeff Oster ) pulled The Bus out of the weed patch and washed, waxed and CLEANED the windows as he took 12 nobles and ladies to Fargo to watch and cheer on The Fargo Red Hawks as they took in another victory. Thanks Scappy.

Bread Man organized a Bike trip over to Valley city to eat at Bridges Bar & Grill for supper. We had 11 brothers and sisters of the Mystic shrine that made the trip over as we gave the manager a thank you letter and fishing lure for donating to our Fishing for a Cause event. It was awesome to thank her in person as her and her family came to our 1 day event and they had such a great time that next year they want to camp there for the whole weekend.

Medina Fall festival was another home run as BeerMan had the van and trailer hooked up and ready to go with a cooler full of frosty treats. Our parade units shined the streets as we waved, shook hands and handed out candy. Everyone was happy to see The El Zagal Mystics and we received many thank yous for coming. We even received another 1st place trophy.

After the parade, we supported the local restaurants and pubs as we had good eats and cold treats. A gentleman came up to us and said they would like to donate to us for all we do if there's any money left over if that would be ok. Wow if that doesn't make a guy feel good. I know now we're doing things right. I can't believe it's already middle of October. The birds are flying south, a little frost on the pumpkins, and the party planner Jim T. is planning our Christmas party.

President Brock and the boys have the parade units on jack stands as they are preparing for winter, and Treasurer Scappy ( Jeff Oster ) is preparing for unit dues.

The El Zagal Mystics are thankful for all the support, and want to wish everyone a Happy Thanksgiving.

That's all for now, see you next month.
