**TUESDAY  
BURGERS**  
5:30PM TO 7PM

Summer is here! Well, mostly here, as I write this it is in the upper 70's and beautiful outside. But it's been a much cooler start to summer than maybe we're used to. Hopefully, you are all enjoying Parade Season and getting those parade units out for everyone to enjoy.

and to Right Worshipful Steve Reinhold on his election as Junior Grand Warden.

The Divan did show up one night in June to cook burgers. Not too many on that particular night, but we were happy to be there and participate in this Tuesday night tradition. I encourage folks in the Fargo area (or even outside the area) to come over to the Temple and have a burger and a beverage.

The Spring Ceremonial in Gwinner was a blast and enjoyed by many. The Ladies, in particular, had a good time on their Wine Walk. We brought in six candidates, and we are excited to have them join our El Zagal family. Thanks again to the Vikings and all who were involved with making the Spring Ceremonial a great success. I was also able to award a couple Samsars to some deserving Shriners – our honoree Bruce Stevens and my father Dennis Decker. Both were very deserving of the award and very touched to have been selected.

The Grand Communication was held in Fargo, and it was nice to see some familiar faces, and some new ones. Grand Masters and other Grand Line officers from as far as Illinois attended the event to see Most Worshipful Darrin Galde off, and also to see Most Worshipful Fred Kitko get elected and installed as the

Grand Master of North Dakota. Congratulations, Most Worshipful – I look forward to working with you in the coming months.

Congratulations as well to Right Worshipful Bob Simmers on his election as Deputy Grand Master, Right Worshipful Al Dybing on his election as Senior Grand Warden,

On to the East/West Shrine Bowl in Mayville. Great day with the regional patient ambassadors, and with our International Patient Ambassador, Paige. It is always a pleasure to interact with our Shrine patients and their families. This is a fantastic event held every year in June – I highly encourage people to attend if they've not been able to in the past. Lady Kate and I got to spend some great time with Paige and her Mimi Cydney. Looking forward to seeing her again at Imperial Session.

Our Imperial Session in Atlanta is coming up – which reminds me that the Ladies are selling jewelry for Lady Mandi's upcoming Ladies Luncheon in 2029. If you're interested, please reach out to Lady Katy and she will make sure to hook you up with some fantastic jewelry.

Don't forget about the Midwest Shrine Association Summer Session. You can get more information at [www.msa2025.com](http://www.msa2025.com). They've got a ton of fun activities planned, and you can register right on the website. Bring your parade vehicles if you've got them.

Also be on the lookout for some announcements about the Fall Ceremonial in Thumper Pond, which is happening September 12-13. Make sure and mark your calendar – it's sure to be a fantastic time.

Remember – the best Ships are friendShips.

## Misfits

What can we say, the Misfits have been serving up some pretty awesome food lately! The OK Tire Charity Golf had some of the best food ever put on the rotisserie, then off to Spring Ceremonial for the community picnic. Our pork rinds were all tingly hearing people were nibbling all night long. What a FUN day, until the rain came in, but we like mud. Thanks to Lady Lisa Dow, Lady Mary Roos, and Lady Kathy for all the help they provided, awesome job ladies and we appreciate it. Porkmaster Adam Huss is cooking for the ND Shrine Bowl, I bet you wish you were a football player, wait a minute, they play with a pignskin!

We hope you braved the road construction and stopped into the Choice Bank Go Hawaiian for Hospice, Mike Dow PP and Don(n) Roos stayed up all night to make sure the butts were properly rubbed and pulled with the PORKINATOR. We like serving up good food all while raising awareness to the Shrine and various charities. Misfits will be cooking Tuesday night burgers on July 8 and hosting a meeting on July 17th. Stop in and make our tail waggle

## Jamestown Clowns

Hello to all Nobles and Ladies,

July is here, and Parades are too!! What fun! More Clowns, more fun!

June 25 was or is going to be a Dinner at the Lodge to remember, Dan Phillips, new clown (heir to the screwdriver fortune) cooked or will cook a tremendous meal. It will be or was absolutely fantastic. Lobster and Filet Mignon. Bet you are glad you came or hoping you will get to be here.

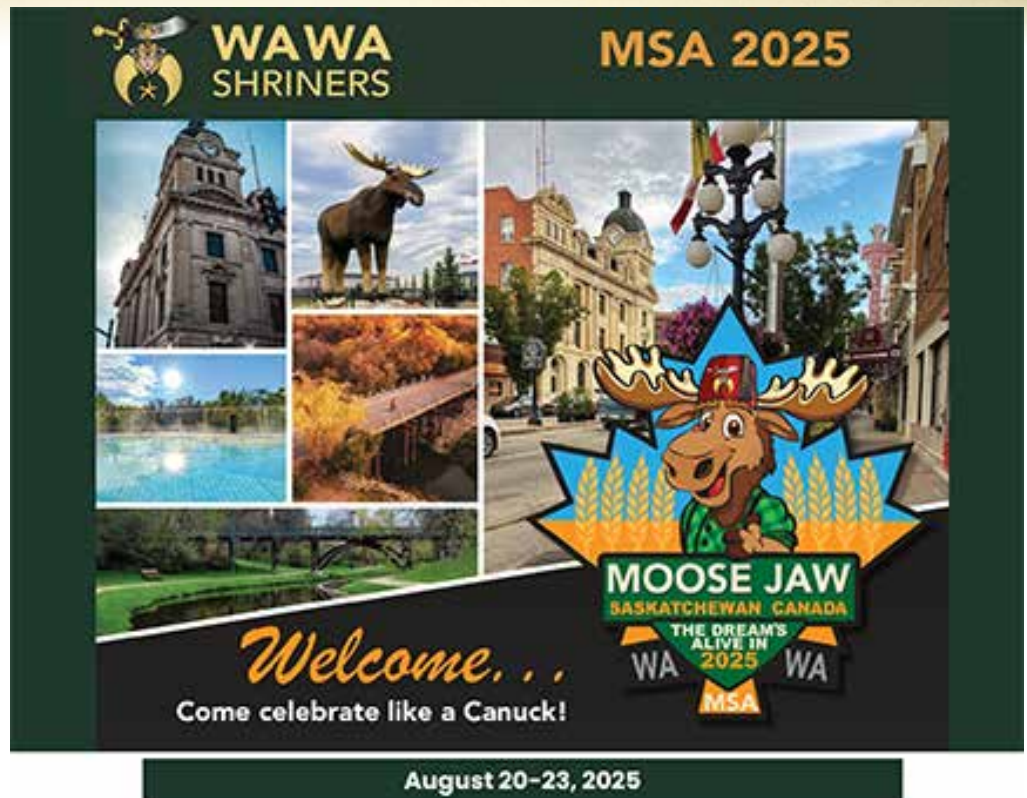

Pumpkins are planted, growing bigger as we speak, Rains are coming in a timely fashion. Should be a bumper crop. Elephant is getting closer to a reality every day. Steve still thinks it is a grand idea. We are not so sure.

Parade season is here. 17 parades are lined up for July, and even more for August. It's a busy time. WATCH FOR E-MAILS!!!!

July 23 is DINNER AT THE LODGE, better be there, we have renown and popular bar tenders to serve.

Kevin Gebhardt is another new clown that has been attending meetings for years. Now he says he ain't one, yet??? Our meetings are very well attended, it must be Andy, people react to discipline, and he is a master at it!! Without it there is chaos. Clowns thrive on chaos. Andy has the biggest gavel ever used at a Clown meeting, it's kinda intimidating.

Thanks for Reading This.....Weezer.

## Dusters

The last luncheon meeting of the Dusters was on June 9, 2025. I can tell it is summer, because of the mosquitos and that 22 people attended the Dusters Lunch. It was a good showing. Not only does summer have the return of the Dusters like the swallows to San Jan Capistrano or the lemmings to . . . I digress.

There was more than the rite of summer at the Dusters Lunch, there was the celebration of two birthdays. Illustrious Berk Strothman and Illustrious Travis Will had birthday anniversary celebrations. Berk was born in 1928 and Travis in 1976. Like cars, it is not the age but the miles! I became a Duster for the relationships and these two are a great part of why I made the right decision. Happy Birthday!

Dusters are active and doing well. The car show and circus are great opportunities to raise money. We have many other opportunities to be active in the community. It is all dependent on volunteers. So, show up. The first step of success is showing up. Many hands make light work and great memories.

We're at the beginning of our summer socials. The first will be at Rusty's South of Mandan. The last will be at the Simmers Compound, if the creek don't rise. The meat of the sandwich is yet to be determined, i.e., July is open for someone to host.

The Fall Ceremonial is at Thumper Pond on Ottertail Lake. I am going. Show up. If you need a ride or tips on hitchhiking give me a call.

# Birth of the Misfits

## HOW ONE SELF-PROCLAIMED 'MISFIT' TURNED HIS PASSION FOR BARBECUE INTO A CLUB

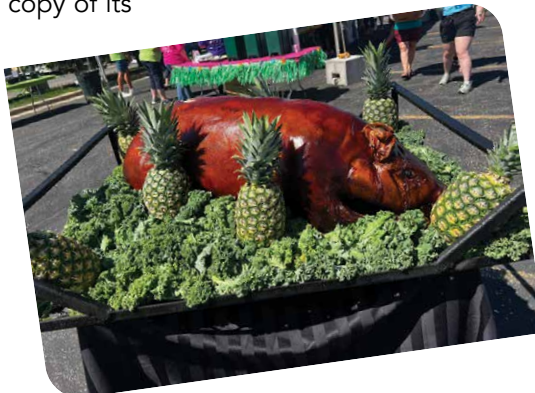

**WHEN YOU JOIN A GROUP**, you want to feel a sense of belonging. But, in 2018, when Todd Kirchoffner joined the El Zagal Shriners in Fargo, North Dakota, he felt like a misfit, he told friend and fellow noble Mike Hennebry. "He said he didn't feel he fit into any one unit or club," said Mike, a Shriner since 2000 and a highly active member.

"He's not a social butterfly."

So, to better connect with his new brothers, Todd wanted to form a club inspired by his abiding passion for barbecue. He's such a fan of the cuisine that he even built a smoker in 2018, complete with a pig-shaped head sporting a fuchsia snout and ears. Mike loved the idea and, since he had leadership experience from El Zagal's motor corps, set out to help his friend establish a group serving up good times and great eats.

He recalls the process as simple, in part thanks to his past leadership roles but also because other El Zagal members were more than happy to lend a hand in getting Misfits BBQ – named after Todd's initial feeling of being an outsider – up and running. Mike met with the young members club, Yoshi, which gladly shared a copy of its bylaws and answered questions.

"I edited the bylaws to fit our club and presented them to the Potentate for him to review and sign," he said. "It was really very easy to start." Since then, it's been a "blur of nonstop fun," Mike said.

Except for their timing: Misfits BBQ officially opened in January 2020, right before the outbreak of COVID-19. However, the club has remained nimble (like switching from delivery to drive-through for contactless service and using social media to advertise), adapting to challenges by consulting other clubs and units of El Zagal. The group also discusses issues at the end of each meeting in its "kangaroo court," said Mike, a past president of Misfits BBQ. Making sure every member feels heard is an important part of retention, he said, and the club currently stands at 20 members strong.

For other Shriners considering starting clubs or units, don't hesitate, Mike said. Find a few other like-minded individuals to form your initial group, tap the knowledge of those members or others within the Shrine to get things done and consult the Divan if you're having trouble. "I've never run into any obstacles within the Shrine where somebody doesn't want you to do something because they think it'll take away from them," he said. "We're all there for the same purpose: We want to grow membership. We want to keep the club and the units in the temple active."

## Director's Staff

As always, the Director's Staff is busy. We are always working on something new so stay tuned for our next fundraising adventure.

Thank you to the Vikings for putting on another great ceremonial. It was a jam-packed weekend and fun was had by all! It is always nice to have ceremonials in different places.

We were asked to help with the Here Comes Summer Party last week. We were tasked with making sure that the bouncy houses didn't get out of hand. We sure did our best considering the people that were there. WOW! What a turnout we had! The kids had a great time and I think the parents did as well. A big shout out to the Color Guard for manning the grill and serving the food. The line for food was backed up all the way to the stairs for the majority of the event. Lars sure looked tired. What a great event to get exposure to our great facility.

We are also coming off a weekend of terrible storms in our area. It seems every community along I-94 was affected in some way as well as many other areas of the state. I am sure that plenty of our brothers and ladies were affected. We are keeping everyone impacted by this series of storms in our thoughts and prayers. Many had to clean up a little debris but some lost everything. There will be people that will still need help at the time that this edition of Camel Tales is released. If you can, please help.

To quote Maya Angelou in this time when people around us need help, "Try to be a rainbow in someone else's cloud"

*The Best Ships are Friendships. Climb aboard and become Anchored in Friendship.*

June was amazing! Thanks to all of you Ladies who came out to the Springs for the Ladies Luncheon.

We had an amazing speaker who grew up in the area. To quote Jandi, "I didn't come to Gwinner to cry," but hearing her story and other's stories sure make us proud of our Shriners. Next, the Vikings put on quite a Wine Walk! (I am still sad I broke my Hello Kitty hair clip when I fell over backwards. I hope you all enjoyed it. The music was fun, the frying pan added so much to the music! The food by Nancy Prante, the Springs, the Vikings, and the Misfits was incredible. The fire in the parking lot was fabulous, thank you to Mike Hennebry. We were camping on gravel, but what a great way to hang out together and make some memories. It was wonderful to get to know the new Nobles and their Ladies. Make sure you introduce yourself at the next event.

(Take a note from Nathan Hopper and the Will boys and greet each other like you've never met before and welcome each other with a smile and a handshake.) Thanks to those of you who came out to the Here Comes Summer Party. Talk about timing, right in with the East - West Shrine Bowl! Thanks for supporting the Shrine Bowl participants and the patients. What a fun week!

## Looking ahead...

Happy 4th of July, Independence Day

Aren't we lucky to live in such a place as this? When I think of the 4th of July, I think Red, White, and Blue. I think lakes, parades, flags, picnics, friends, family, and fireworks. I hope you all get to spend some well-deserved rest and relaxation with your friends and family.

Ladies, the guys are off to fish at Lake of the Woods, that's when I really get a chance to relax and get my own lake time! I hope you get a chance to do what you love this month too!

Come August, we head to Canada for the Midwest Shrine Association meeting. This is another great time, I encourage you to bring your families. We look forward to seeing you in September. The Detroit Lakes Color Guards is busy planning the event. This is another great event for families. They have a waterpark, golf course, camping, and hotel all in one place.

Don't forget to check the Shrine Calendar to see what other events you want to attend. Finally, enjoy a burger at the Shrine on Tuesdays.

## Color Guard Croonings

Summer has arrived in Lakes Country, and the Color Guard is busy getting ready for parade season. As of this writing, we just returned from Gwinner, ND for the Spring Ceremonial and boy did we have fun! Those Vikings sure know how to make everyone feel welcome! A nice parade, and even our Potentate Chad Decker woke up in time to parade!

The highlight of the weekend was watching Father Jerry and Blake Meland dance together. I am not sure who was leading, but it was quite the show! All was good until Janie Ness wanted to cut in. Things got a bit weird after that.

The Color Guard is still working on building a sprint car team. Those cars are sure fun to drive, so if you know of someone who is not a Mason and Shriner yet, but would make a good team member, reach out to them! We did get Harold Holt in one, but then we had to grease the sides to get him out again.

We are also in the midst of exploring a name change for the Color Guard. We are pondering the name of "The Lakes Walking Wounded". We find it prudent, as it seems

like most of the Color Guard have new knees, hips, veins and other new body parts. The jury is still out on that decision.

Our crack Vice President appears to be in the witness protection program, and he completely changed his looks by cutting off most of his hair. Truthfully, I think he was just scared of getting cotton candy in his lovely main during the circus. Now if we can just get him to stop wearing a dress.....

Watch for details coming soon regarding the Fall Ceremonial hosted by the Color Guard for Illustrious Sir Chad and Lady Kate. This event will be held at Thumper Pond in Ottertail and promises to be more fun than a root canal.

Lastly, we always welcome our friends to join us for Color Guard meetings, which are on the 3rd Monday of each month, with a meal, social hour and lots of BS. It's a great time to be a Shriner, but there is **NOTHING FINER THAN A COLOR GUARD SHRINER!**

**Lars**
