THE BROTHERHOOD**

June already? What happened to Spring? It's been super busy across El Zagal, but in a good way.

I had a fantastic time at Suds-N-Spuds. It was a great opportunity to sample some local brews, as well as try out some amazing food. I was also invited to participate in judging the best Spuds dish – that was really tough to decide! Ultimately it ended up being a very enjoyable night, and thanks to all who helped out with prep and cleanup. The Directors Staff really does a standout job with this event.

Then tons of travel for me in May – I even had to miss the Stated Meeting that I had scheduled. Many thanks to my amazing Divan for pulling it off without me. And a special thank-you to my stunt double, Chief Rabban Bruce Ridgway. I'm told the Past Potentates up front had quite the time with it.

The Spring Ceremonial in Gwinner is just around the corner – looking forward to seeing you down South. The Vikings are getting ready to have quite a time – I can't wait.

The next week is the Masonic Grand Communication – held this year in Fargo. It's going to be good

time to get together see our current Most Worshipful Darrin Galde off in style. I urge any of you North Dakota Masons to try and attend.

Speaking of things that are right around the corner, the Shrine Bowl is coming up in June. I hope many of you make the trip up to Mayville to participate in that event. I'm told that there will be an International Patient Ambassador there – you'll want to make sure and be there to see that. I was able to go last year and had an amazing time.

Since we're talking about summer, don't forget about the Midwest Shrine Association Summer Session. You can get more information at [www.msa2025.com](http://www.msa2025.com) They've got a ton of fun activities planned, and you can register right on the website. Bring your parade vehicles if you've got them.

Remember – the best Ships are friendShips.

## Misfits

Here we are, another cook in the books, and were staring down a bunch in June. On May 10th, we cooked up some very tasty food for the FM Redhawks staff and players. But we can't sit back on our pork chops and try and pat ourselves on the back bacon, we have more exciting things coming up. By this point we will have cooked for the **OK TIRE Charity Golf Tournament** and introduced the Shrine and Misfits to a whole new group of people. **Saturday June 7th**, we will be showcasing more of our morsels in Gwinner for **Spring Ceremonial**, then we will grunting onto the **Grand Lodge picnic and lunch June 12th & 14th**, we hope none of our relatives will be on the menu. Not to boar you, but our next cook will be for the **ND SHRINE BOWL**. The committee and players work hard to put on a great show and showcase ND football talent. Be part of the fun, participate in the parade, make a donation, show your support. We bacon wrap up a very busy June with the **Choice Bank Go Hawaiian for Hospice cook on June 24th**. Stop out to Choice Bank on 45th St. for a pulled pork sandwich and support Hospice.

## Jamestown Clowns

Hello to all Nobles and Ladies,

Can you believe it's June?? That is month six of twelve. Enough said...

Summertime is funner time!! Parades, and celebrations, and general get togethers. Our Parade Season is on!! Every parade is as fun as the other one, all it takes is "participation" which is a nice way to say the more Clowns the more fun. So come and enjoy....

Charlie's memorial service was a very well attended and well meaningful service for his family. He had many friends, that seemed more like family. We wish Jan and her family all the best!

The parades and events coming up will be announced via E-MAIL, so keep a sharp eye for any that come to your in box.

This is a short article, I don't have much else... except President Andy is just having fun putting order to our usual non-order meetings. He is hoping to have us in order for who knows what. Does he realize we will fall back to our natural order after December? Clowns thrive on chaos; it's like spinach is for Popeye. Or, having clowns in order is like giving kryptonite to superman.

Thanks for Reading This.....Weezer.

## Wild Game Feed 2025 set new record.

Ladies and Gentleman, we pulled off another very successful Wild Game Feed again. Excellent ticket sales, VIP tables, unit/club donation, great raffles and with the Pride of El Zagal we crushed last year's record. Attendance was down from last year, which was a goal, in the last few years the event was so well attended it made it difficult for everyone to enjoy. By adjusting ticket pricing, we increased ticket sale revenue with fewer people and increased the average amount each person spent. Win, Win!

This is now my second year as chairman of the WGF and I have to say that I really enjoy working with everyone that makes this event successful. I am proud of the El Zagal Units, Clubs, Lady's, Family and Friends.

I'd like to recognize my co-chairs for the event. Rocky & Andrea— Money room, Joel Swanson — MC, Shawn Engelsrud — meat raffles, Shane Heiberg — IT & sound, Travis Leach - tickets, Cal Braun - live raffles, D Hennebry - Hawkers, Casey Schoer - gaming, Shana — Arabian Room and bartenders which was "all hands on deck", Scott Schaefer, Jason Kaufman — kitchen & food prep the day of, Ringo - "Pride of El Zagal" raffle board and he also took care of our shopping at Scheels which I think for him is a bonus. He gets to buy a bunch of guns but doesn't have to pay for them.

The preparation that goes into this event the week before is quite a feat, everyone does their thing to bring together a great assortment of wild game for all to enjoy. We set the bar for great wild game recipes and quality food.

Again, I'd like to tell everyone **THANK YOU** for participating, attending and/or helping out this year and making our Wild Game Feed another successful event. If your lady, family or friends helped out this year please pass the word along to them, we couldn't do what we do without them. I can't begin to list all the people I need to thank, the list is way too long and I'd hate to miss anyone. I want you all to know I appreciate everyone's hard work.

Letters will be going out soon to each unit/club that participated with your Parade to Glory figures, watch your mailbox!

**Mark your calendar**  
**Wild Game Feed 2026 is February 21<sup>st</sup>, 2026.**

## Dusters

Spring has come and gone, rather quickly I might add. Most of us have spent the fall and winter participating in functions and attending events for our respective Blue Lodges. For most Dusters, it has been a time of circling back to the squeaks and clanks of last summer that need to be addressed before the spring and summer season arrive. We participated in the first parade of the year here in Bismarck, ND, the Band Night Parade. The weather was perfect for a leisurely stroll and the sidewalks and yards were packed with people along the parade route.

It was during this parade, while I was riding and paying perhaps more attention to the faces in the crowd than I had in years past that I began to wonder; do the members of our community really know what a Duster is, do they know what a Shriner is, do they know where we all got our starts and how important the work we do is? While we all enjoy having fun and sharing stories of our rides from past years, are we effectively sharing the story of our journey through Blue Lodge Masonry and into Shrinedom? The more faces I saw that night along the route the more I was convinced that perhaps some are and some aren't. Don't get me wrong, I know it's not for everybody but if we are sharing the news of the amazing events that happen due to Shriners; the life altering events and services that are provided to families across the country and around the world, then why wouldn't it be for everybody?

As we no doubt speed through summer and enjoy all the festivities and parades let us not forget the impact that we, as individuals and brothers in the Shrine, have on others and how very important it is to share that with as many people as we possibly can. Let the wave and occasional deliberate glance from a stranger in the crowd be an opportunity to share our brotherhood with others. Let it be the window of opportunity to not only enrich our brotherhood by encouraging another man to join us but let us be an individual opportunity to share what we do, "Having Fun, Helping Kids".

No doubt a Duster will see you down the road somewhere this summer. My hope is that we will seize the opportunity to stop and enjoy the day, share a memory or have a conversation with another individual that will be the beginning of a lifetime of memories along the way. When you see a classic car pass by in your town or on the highway, please take the time to wave, a bother just may be waving back.

Please stay safe, be blessed and, be a blessing

**Fraternally Yours,  
Paul Wilkins**

## Melissa's Journey: A Song of Strength and Hope

Meet Melissa  
May 27, 2025

Ten-year-old Melissa is facing her challenges with courage and creativity.

Diagnosed in her mother's womb with [fibular deficiency](#), a condition where one leg is shorter than the other because of a shortened fibula, Melissa has spent the past year undergoing treatment at [Shriners Children's Texas](#). Her condition once caused her to walk on her tiptoes due to the difference in leg length.

Currently, she is well into a six-month leg-lengthening process using a specialized device called a hexapod circular external fixator. This type of external fixator allows for the gradual correction of complex issues in the fibula, using a combination of struts and pins which are adjusted gradually over the course of the treatment, eventually making both legs similar in length.

Originally from California, Melissa and her family relocated to Port Arthur, Texas, in 2023, shortly before her treatment began at Shriners Children's. Since then, she has undergone six surgeries, each one bringing her closer to her goal of walking with both feet flat on the ground.

[Cody J. Sanderson, M.D.](#), Melissa's orthopedic surgeon, is part of a multidisciplinary care team working closely to support her recovery. "Melissa is an amazing and incredibly resilient girl with fibular deficiency, which can lead to one leg being shorter than the other," said Dr. Sanderson. "In young children, an option is to lengthen the leg using a hexapod circular external fixator. We are blessed to have multiple services under one roof at Shriners Children's Texas to work with these patients. I can actively collaborate with Dr. Cat [[Catherine Tallant, Psy.D, MA, BA](#)], psychologist; Elizabeth, [physical therapist](#); Meredith, [prosthetics and orthotics specialist](#); Michael, [care manager](#); and Kinley, [social worker](#), to improve patient outcomes. Melissa is almost done lengthening and is doing great!"

Beyond her medical journey, Melissa's spirit shines brightly through her love of music. She plays the violin at school and finds joy and comfort in singing. Her favorite artist is Katy Perry, whose empowering songs mirror Melissa's own perseverance.

Music therapy has played a special role in Melissa's healing. She is currently working with Angie, the hospital's [music therapist](#), to record an original song she wrote in honor of her parents' 25th wedding anniversary. Titled *Story*, the song recounts how her parents met and built their family, a touching tribute that showcases Melissa's creativity and emotional depth. She dreams of one day appearing on *America's Got Talent*, just like former Shriners Children's Texas patient Kechi.

With her treatment nearing its final stages, Melissa continues to inspire those around her with her strength, talent and unwavering positivity. Whether in the hospital or performing for others, Melissa is living proof that resilience and passion can turn even the hardest challenges into a beautiful story.

Melissa smiles with the team during her physical therapy appointment.

Melissa records a song with music therapist Angie.

Dr. Sanderson give Melissa a thumbs up for her great progress.

## SHRINERS INTERNATIONAL CELEBRATE AWARENESS DAY

beashrinernow.com

Shriners across the world are invited to proudly celebrate Shriners International Awareness Day on June 6, honoring the founding of the Imperial Council in 1876. This special day is a time to reflect on who we are as Shriners, what we represent and the impact we make in our communities.

## Director's Staff

Suds N Spuds 2025 is in the books and was a great event as always. Laughing Sun was the people's choice winner for breweries this year and Mike, the owner, was thrilled! Our chef competition was a hit again as usual. Congratulations to our top awarded chef, Matt Lee from Muninn Events! We had great comments on the food as well. I need to thank everyone that worked the event and certainly cannot forget those that were in attendance.

The last several months have been a whirlwind of large events starting with the Wild Game Feed in February, to the Circus, and then on to Suds N Spuds. The Director's Staff will now have a little bit of time to rest while we get ready for parade season!

I will leave you with an Irish blessing. May your troubles be less and your blessings be more.

Regards,  
Cal Braun

## *Anchored in Friendship...*

Hello Friends, I hope you all had a great May! Winter has ended and we have had a full-on taste of summer, bugs, heat and all! For those of you who don't know, I am married to Chad, if you have a Chad sighting let me know. It seems like I haven't seen him since the beginning of April. (I am beginning to think he is a figment of my imagination.) June starts off with the Spring Ceremonial in Gwinner! We hope to see many of you there! I hear the Ladies luncheon event is going to be amazing. Those Ladies in Gwinner sure are creative! As we are celebrating Mother's Day, graduations, weddings, Memorial Day, and summer, make sure you are taking care with the sun and the bugs. We are looking forward to all the events in June, July, and August. It is a fun filled summer with lots going on. Make sure you are checking the calendar for events you want to attend. I hope to see many of you soon. Enjoy your summer.

Hello Nobles and Ladies of El Zagal, hope all is well.

Georgia Sweet Vidalia onions are here and gone. That's right, 48 hours and 2000 pounds sliced and diced. Done like a dinner. The 14th Annual Gun Raffle is just about saddled up. The drawing will be at Shadys on Friday, June 27, at 7 pm. Good luck for those that have a ticket.

The Mystics calendar is filling up fast. Spring Ceremonial and 8 parades, Hogs and Rods, and in August our 6th Annual Fishing For A Cause out at The Laxy Fish Campground. On August 9th, we start in the morning with the Kids Fishing Tournament, face painting, bounce houses, games and prizes. And then the food. At the Flat Top we have Scrappy (Jeff Oster) flipping burgers to order and on the grill, we have (Hot Dog) Curt Hayes rolling dogs to perfection.

With the FFAC raffle tickets, \$20 gets you a chance to win some awesome prizes like a Polaris Sportsman 450 HO 4x4 ATV or a Polaris Sportsman 110 EFI 4-wheeler and

many, many more items. Get your chance today!

Brock and Kyle and the boys have been working hard all winter with preparing our parade units (changing oil, spark plugs, new tires, adjusting foot pedals and polishing) so we can make El Zagal shine like we always do.

Thanks for reading, catch ya next month
