POTENTATE'S MESSAGE

We "R" For The Kids!

Well, these article deadlines sure sneak up on you, especially when once again it was a busy month of Potentiating! Let me start by apologizing in advance: I forgot to mention in our last article that my lady and I attended the Septoberfest hosted by our own Detroit Lakes Color Guard. It was a wonderful event—outdoors, with fantastic weather and great community attendance! It was great to see this event growing in popularity! Oh, did you know some of our Color Guard even wore lederhosen outfits? Yep, Lars and Paulie, to name a few… There was also a special young man who is an honorary member of the Color Guard who won a 50/50 raffle. Do you know what he did? He donated his winnings back to Shriners Children's! This young man is a wonderful human with great parents, and he is a proud Color Guard member.

I'd like to thank David Rott, his merry Past Potes, and their ladies for putting on this year's Crab Feed Dinner. Thanks also to all the nobles and their ladies who helped. The very next day, the Ladies Auxiliary hosted the very first Designer Purses & Pistols Bingo. The event was well attended and fun! Lots of bingo and other games of chance! Thanks so much for bringing in something new for us to enjoy and for raising money within the community, ladies. By the way, these two events that same weekend also helped our Arabian Room bottom line…

Lady Kim and I made a trip down to Gwinner this past month as well. Yep, we ate torsk! The Viking Lobster Dinner was good! If you attended, you know we were greeted by PP Illustrious Sir Chad Decker and his smiley face, with PP Illustrious Sir Jason "Rocky" Rockswold behind the bar, schlepping drinks! Always good to see them and all our Gwinner Vikings nobles and their ladies.

Unfortunately, with the Gwinner torsk feed on the same day, we were unable to attend this year's Hazen Hoedown. Waylon and his crew of Rednecks didn't disappoint! We had several from Fargo who were able to attend. Another great Shrine event getting some momentum.

Kim and I headed out to Jamestown that same weekend and visited their Pumpkin Patch to make it a full weekend of all things Shrine. If you've never made it out there, I suggest you make the time. The creativity they put into this event makes it fun for all ages! We rode the train, and Joel narrated the ride. Shortly into the ride, we were stopped by the local sheriff (he's a shyster) and his deputy! Yep, there was a robbery. The bag of gold was recovered and given back to all the kids on the train. We got to see Pumpkin Chuckin'… So much to see and do at The Patch. Thank you to all the Clowns for a wonderful afternoon.

We recently held another Appreciation Dinner at El Zagal, which was followed by another stated meeting. It was a very nice event, and we had a chance to honor nobles with 25, 50, 60, and 65 years of service certificates. Our very own Illustrious Sir Bob Wedberg received his 65-year pin! Thanks to all who were able to attend. The same week, we headed out to Bismarck, ND, and held our appreciation dinner for our western nobles and their ladies. Our Oriental Guide, Tim Dawson, arranged the wonderful meal and event at Apple Creek Country Club. Several Past Potentates, as well as Grand Masters, attended. Congratulations to all our nobles, east and west, who were present to receive this recognition for their years of giving.

Yours in faith,
Bruce H. Ridgway

GRAND MASTER

Greetings, Nobles:

Fall is in the air. Leaves are turning, the wind is blowing, and the season is changing. Lodges are waking up from their summer recess, and Shrine Units are starting to prepare for their fall and winter activities. This means it's time for our Units to start thinking about where they will direct the funds they have worked so hard to accumulate over the year. Many fundraisers throughout the year have successfully raised money for our cause. Over the years, we have watched our fraternity struggle with growth and community recognition. We are developing a marketing plan that includes all Masonic bodies and both Temples. Your Grand Lodge Foundation has already committed $10,000 to this program this year. Illustrious Sir Bruce Ridgway and Illustrious Sir Geoff Bengston have both committed to this program. El Zagal is asking its units to add this to their Parade of Glory. We feel this program needs a minimum of three years to achieve the results we are looking for. Our goal is to raise community recognition and awareness for all of Masonry and the appendant bodies. Please think about us generously.

Here's an example of what we do and why we do it. At a recent fundraiser promoted by the Masonic Lodges and area Shrine Units, a young boy of elementary-school age approached the donation table. He reached into his pocket and laid $4 and change on the table as his contribution to the fundraiser, saying, "This is all that I have, and I raised it at a lemonade stand. Now I want you to have it so that some young person can have a chance at speaking better." Wouldn't this young lad make a great Mason someday?

I know that, as Masons, we all travel different roads. Not all new Masons are destined to remain in the Blue Lodge, and that's all right with me. However, remember to support your Blue Lodge and the Grand Lodge in your own way.

Respectfully,
Bob Simmers
Grand Master

JAMESTOWN CLOWNS

Hello to all Nobles and Ladies.

It has been another year of total commitment from our town and all the towns and counties around Jamestown to the Jamestown CLOWNS!!! Steve L. and his crew (family) and Richie—and the list goes on—have done an amazing job lining up, figuring out, and deciding what and how to do it at the Patch. The girls in the kitchen and token booth should get a GOLD star for their relentless work weekend after weekend. The gatekeepers keep the public rolling through the gate; it's amazing!

Thank everyone you see! The community thanks us for everything we do, so let's keep doing it!

October 10 was a record attendance day at the Patch. Maybe Nick and Dave are the reason.

Everyone who helps out is amazing and deserves a big thanks. So, THANK YOU!!!!

Aaron Raap stopped by from Connecticut to drive the barrel cars, and once again the kids flocked to him; it was a sight to see. Hope you are getting this. Aaron still helps from afar. THANK him when you see him. He is amazing!

I had a Mystic tell me, "You Clowns are amazing." Just sayin'.

November is almost here, and I believe there is just one more issue left for 2026. Tory is still our president. Thank heavens he will not be ruling us with his iron fist anymore. Rory will be efficiently conducting in 2027, so our group should be easy to handle—not worse than wild cats or a runaway train. Have fun.

Clown for a Night is coming December 5 at the Civic Center. Doors open at 6. Be there or be square. Dave and Chuck are lining up a very fun night. Let's get going. Everyone needs to be doing something for that special event.

In other news, remember: We Are The Best Unit In El Zagal!!!!!!!!! AMAZING!!!!!!!!

Thanks for reading this…

Weezer.

MYSTICS

Hello, everyone in El Zagal. I hope all is well.

Holy pumpkins, fall is in full swing. Last night, October 13, we had our monthly unit meeting, and in the kitchen, the Mystic Pete was smashing potatoes to go with his famous pot roast and glazed carrots. Wow, if you weren't there, you missed out on an amazing meal. Thanks, Mike. Over at the bar, we had Bread Man and Beer Man slicing lemons and limes for those famous adult beverages.

Vice Pres. Kyle T. ran the meeting, and it ran so smoothly he should've run the meeting twice. Thanks, Kyle.

The Mystics are busy, as always, planning our 3rd Cash Bingo. That's right: $3,000.00 cash, with 12 games, a silent auction table, and meat raffles. Come try your luck October 19th at the KC's or Club #83.

The gun raffle committee is selecting guns as we speak. Tickets will be ready by the first of the year.

The Mystics went on a trip on a tankful out to the Decoy Bar for homemade pizzas. Eleven of us made the trip. It was amazing.

That's all for now.

Thanks,

El Zagal Mystics.

COLOR GUARD CROONINGS

Hello from Color Guard land!

It has been a hot minute since this reporter has had time—or remembered— to update you on the wonderful world in Lakes Country.

President JJ has had a very successful year as president. He has only been impeached twice, and now he's on a local tour of breweries to drum up support for re-election. You see, he thought that was where he would find most of the Color Guard.

Recently, Blake Meland tried out his Superman skills by holding up a concrete-block wall with his leg. The outcome was a broken leg and a severe case of boredom, as he is now restricted to a walker. It isn't much of a problem because he has Tanner helping him in the bathroom. The number 2 thing must be impressive!

At our Septoberfest last month, one of our Jamestown winners took home $82,579 in cash. He said it was about time and demanded to be paid in pennies. Good thing Brad (where is the bar) Richards was on hand to take care of his request. We kept our word and paid Paul Wittenhauer as he demanded. We had trouble finding him, though. After many calls and emails, we finally located him at a jail in Mexico City. I was told not to tell anyone, so keep that between us!

This summer brought a tornado to Floyd Lake, where Paul Meszaros and Curt Heiser live. Heiser's palace came out fine, but Paul's home took a hit. Paul was most distressed because his underwear drawer blew out of his house and ended up at Emmanuel Nursing Home. He has had seven marriage proposals and five paternity claims to deal with. His Viking's helmet, though, which was on top of his flagpole, survived. It's funny—that was found in the widow Jensen's bedroom. That wind was a funny thing. Seriously, though, we are glad that Paul and Curt came out with just a bit of messed-up hair!

The Color Guard is making plans for Trick-or-Treating again this year. We will buy candy and park a van along a dark street. Most will be involved, except we have to tie Gilligan to the front bumper of the truck with a short chain. I can explain later.

Most are aware that the Color Guard has been working on a new money pit—I mean, Color Guard bus. We have spent the year working out the bugs: new tires, 10 repairs on the air conditioning, and even work on the electronics so the coach door opens and closes. Father Jerry got trapped in the bus after a parade this past summer, but it was all good. We found him a week later in the bus. Good thing the bar was well stocked and the bathroom worked! We are working on replacing a window; then a fancy-dancy wrap will be applied. Watch for the "coming out" event next summer.

Speaking of coming out, Jerome Tappe was reportedly seen at Menards a couple of weeks back. He has spent the summer working on his "shack" and improving his pickup lines. Just the other day, I heard that he told his Lady Denise to come "pick him up" at the Police Department. Something about looking like a vagrant.

Lastly, our hopes are high for the Color Guard Olympic team as they train for the .5 K run coming up in Fargo next year. Harold Holt, Mike Kunz, and Roger Forsgren will be participating. We have purchased front-row seats to watch them when they cross the finish line. I am guessing we will need a tent, as it might take them just a bit, and a guy might need a nap.

We would love to welcome you to a Color Guard meeting—always the third Monday of each month, with Past Potentates Ponderings at 5, dinner at 6, and the meeting to follow. Ladies are also welcome and always have a seat at my table.

It's a great time to be a Shriner, but there is NOTHING FINER THAN A COLOR GUARD SHRINER!

Don't let your cucumber get soft!

Lars

REDNECKS

Director's Staff, Provost, Mystics, Dusters, Oilers, and Clowns… OH MY!

A sincere thank-you to all the Shrine units who traveled to Hazen to join us for our Hoedown! It truly meant a lot to have so many of our Shrine family come together to support the Rednecks. The miles traveled, the laughter shared, and the memories made are things we won't soon forget. It's moments like these that remind us what being a Shriner is all about. We are truly grateful for each one of you who helped make this day so special!

The miles may bring us together for a day, but the friendships, memories, and bonds we share are what keep our Shrine family together for a lifetime. From all of us, thank you for being part of something so special!

-Waylon

DUSTERS

Just when I thought I was out, they pull me back in! It seems Big Boss Bartosh has called me back into the family to write this month's goings-on with the Dusters.

The writer of last month's articles mainly spoke the truth about me, except I do not know if I am weird-looking. I may look like the love child of Peyton Manning and Jim Gaffigan, but that is not weird—unsettling, yes; weird, no. Thank goodness I do not look like a combination of Animal from the Muppets and Robin Williams!

We Dusters must stay above the fray of tit-for-tat and focus on our laudable undertakings. On November 22, we are going to smoke some turkeys. Bob Bartosh is bringing the rolling papers! We will donate all but one, eat that one, and watch football.

The Dusters are done with the Fly-In and Drive-In Breakfast, and we are planning the Car Show under the leadership of Travis Will. We are old pros at the Circus, but it comes like the four seasons, and we will be ready for it.

At the Appreciation Dinner at the Apple Creek Country Club on October 15, Jay Buringrud received his 35-year award. Jay is a Past Potentate and an attorney, the pinnacle of human existence. I think to myself, maybe someday! Jay has been a Duster for as long as I can remember and drives a Studebaker. Not knowing any more about him, you can conduct an adequate psych profile. In short, don't let him run with scissors or play with matches!

Here are a few things for your calendar:
